

## Pragmatic & Group-Randomized Trials (GRT) in Public Health & Medicine: Part 1

### Participant Feedback Survey

OMB#: 0925-0648 Expiration Date: 03/2018

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number [FM(1] . Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648\*). Do not return the completed form to this address.

Your feedback is important to us and will ensure that this course is relevant, well-executed, and meets your needs. Please provide responses that best reflect your experience while participating in the Pragmatic & Group-Randomized Trials (GRT) in Public Health & Medicine online course.

## Pragmatic & Group-Randomized Trials (GRT) in Public Health & Medicine: Part 1

### 1. Please tell us why you decided to participate in this course? (Check all that apply)

- Someone recommended this course to me.
- I needed to learn more about GRTs for work or school.
- I am interested in learning more about GRTs for my own personal knowledge.
- I do not have access to a course like this at my institution or organization.
- I needed to find a free course to introduce me to GRTs.
- Searched online for courses.
- Other (please specify):

### 2. What goals were you hoping to accomplish through viewing Part 1? (Check all that apply)

- To get an introduction to GRTs.
- To enhance knowledge.
- To advance career.
- To determine if I might want to watch the entire course.
- Other (please specify):

### 3. Did Part 1 meet your expected goals?

- Yes
- No

Please explain:

4. After viewing Part 1, please rate your level of agreement with the statements below as it relates to the content of the module. 

	Strongly Disagree	Disagree	Agree	Strongly Agree
My general understanding of GRTs improved.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can distinguish the characteristics of different types of randomized trials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have a better understanding of what factors impact the design of GRTs.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have a better understanding of what factors impact the analysis of GRTs.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I will be able to apply this new knowledge to my work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I will watch other modules in this course.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have the necessary information to help inform decisions in my current or future work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please provide any additional comments regarding the content of this module:

## Pragmatic & Group-Randomized Trials (GRT) in Public Health & Medicine: Part 1

5. Please rate your level of agreement with the statements below as it relates to the format of Part 1.

	Strongly Disagree	Disagree	Agree	Strongly Agree
The length of the module was appropriate.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The content of the module was well organized.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The breadth of the content was sufficient.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The technical components of the module (audio, visual) worked well.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Please mark your response as it relates to the presenter.

	Poor	Fair	Good	Very Good	Excellent
Presenter's knowledge of content.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Presenter's thoroughness in covering content.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Presenter's sound level and clarity	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Overall quality of the presentation.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

7. Is there any additional information that should be included in Part 1?

- Yes  
 No

Please explain:

8. Did you complete the suggested activity for Part 1 (links were posted as a resource on the website)?

- Yes  
 No

9. If you completed the suggested activity for Part 1, please answer the following questions:

	Yes	No
The activity was easy to find.	<input type="radio"/>	<input type="radio"/>
The activity was easy to understand.	<input type="radio"/>	<input type="radio"/>
The activity was easy to complete.	<input type="radio"/>	<input type="radio"/>
The activity enhanced my understanding of the content delivered in the module.	<input type="radio"/>	<input type="radio"/>
The activity helped me better understand the necessary components of a GRT.	<input type="radio"/>	<input type="radio"/>

Please provide any additional comments regarding the suggested activities for this module:

10. What did you like MOST about Part 1?

11. What did you like LEAST about Part 1?

12. Have you participated in or will you participate in other modules for this Pragmatic & Group-Randomized Trials in Public Health & Medicine online course?

	Yes, I have participated	Yes, I will participate	I am unsure if I will participate	No, I will not participate
Module 1 – Introduction and Overview	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 2 – Designing the Trial	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 3 – Analysis Approaches	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 4 – Power and Sample Size	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 5 – Examples	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 6 – Review of Recent Practices	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Module 7 – Alternative Designs and References	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

13. What other courses would you like to see in modular format provided by the NIH Office of Disease Prevention?

14. Please share your organizational affiliation. For example, NIH-Office of Disease Prevention or State University.

15. What type of position do you hold?

- Staff at a Community Organization/Non-Profit etc.
- Staff Researcher
- Student
- Post-Doctoral Fellow
- Faculty
- Other (please specify):

Thank you for participating in the Pragmatic & Group-Randomized Trials in Public Health & Medicine course and completing this evaluation. Your feedback is very important to us. If you would like to receive more information about the [NIH Office of Disease Prevention](#) and upcoming events, please consider signing up for regular ODP Email Updates by clicking on this [link](#) and submitting your email address.
