

Future Research Leaders Conference

Communication Survey

NIH Future Research Leaders,

The NIH Scientific Workforce Diversity office is interested in hearing your thoughts on communication avenues and platforms to keep you in the loop about NIH news you can use, such as upcoming events, job opportunities and grant-related information.

We have put together a few questions below to gather your feedback. The questions should take about 5 minutes to complete. We greatly appreciate your time and support.

Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.**

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

OMB #: 0925-0648

Expiration Date: 3/2018

>>

In addition to funding opportunity announcements (FOAs) and job opportunities, what kind of information would you be interested in hearing about from us?

How often would you like to receive the information?

Weekly

Every other week

Monthly

Ad-hoc - when there is news and information to share

Please rank order the following communication methods that you would like to receive information from us with 1 = the most preferable to 6 = the least preferable.

NIH Future Research Leaders Listserv

NIH Future Research Leaders LinkedIn Group

Facebook

Twitter

NIH Scientific Workforce Diversity Website

Other, please specify:

Do you currently get information from the other NIH offices or communication platforms?

Yes

No

If yes, how do you get that information (e.g., email listserv, websites, etc.)?

Is there any other information you would like to provide? If yes, please specify.
