

**NIH Pathways to Prevention Workshop Survey - Methods for Evaluating Natural Experiments in Obesity**

**NIH Pathways to Prevention Workshop:  
Methods for Evaluating Natural Experiments in Obesity**

OMB#: 0925-0648 Expiration Date: 03/2018

Public reporting burden for this collection is estimated at 5-10 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Your feedback is very important to us and will ensure that our P2P workshop program is relevant, timely, and well-executed. Please answer a few questions and select the response that best represents your experience during the workshop.

Pathways to Prevention Workshop

Date: December 5 - 6, 2017

Title: Pathways to Prevention Workshop: Methods for Evaluating Natural Experiments in Obesity

**NIH Pathways to Prevention Workshop Survey - Methods for Evaluating Natural Experiments in Obesity**

**1. How did you participate in the workshop? (Check one)** 

- I participated in person.
- I participated via videocast

**2. Rate each of the following in the table below (Check one option in each row):** 

	Strongly Agree	Agree	Disagree	Strongly Disagree
The speakers were well prepared	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The content was well structured	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The breadth of the content met my expectations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The presentations were informative	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
There was enough time allotted for questions and discussion during the workshop	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The workshop improved my understanding of the topic area	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The length of the workshop was appropriate	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The technical equipment (audio, video, workshop computers) worked well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The location was appropriate for the workshop	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

# Obesity Methods P2P Survey 2017

workshop

The workshop provided me with information to help inform my current or future work

Overall, the workshop met my expectations

### 3. Please provide feedback on the Pathways to Prevention workshop materials (check one option in each row):

Yes

No

I reviewed the material in the on the website before the workshop

I accessed the workshop materials during the workshop

I expect to use the materials on the workshop website as a resource after the workshop

If you have any other comments about the workshop materials that you would like to provide, please describe here:

### 4. What did you like *most* about the P2P workshop?

### 5. What did you like *least* about the P2P workshop?

Thank you for providing feedback on the Pathways to Prevention Workshop. Please join the [Office of Disease Prevention \(ODP\) mailing list](#) and visit the [ODP website](#) to learn more about ODP program, events, and resources.
