

## National Library of Medicine (NLM) Resources at LIS Schools

### Introducing NLM Resources at Library and Information Science (LIS) Schools in the United States

OMB Control Number: 0925-0648

Expiration Date: 03/31/2018

**Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.**

\* 1. What courses do you teach at your institution?

\* 2. How often do you use or refer to NLM biomedical or health information resources in your courses?

- Never
- Occasionally
- All the time

3. If you have indicated that you use NLM resources all the time, please let us know which resources and in which course you use them for.

4. If you have indicated that you use NLM resources occasionally in your courses or never use them, please let us know which resources and in which course you use them for.

5. If you have indicated that you never use NLM resources, please let us know why.

6. What types of instructional materials would (you use to) facilitate introduction of NLM resources into your instruction? (select all that apply)

- PowerPoint slides for your lecture that is about 5 minutes
- PowerPoint slides for your lecture that is about 20 minutes
- PowerPoint slides for a full class period
