

Non-Substantive Change Request to CMS-10379 (OMB Control Number 0938-1141)

The agency is requesting to revise the current ROCIS entry by removing the existing Supporting Statement Part A associated with 0938-1141 as the incorrect version was inadvertently uploaded. While the incorrect supporting statement was uploaded to ROCIS, public comment was sought using the correct supporting statement during the 60 and 30-day comment periods. In addition, the correct supporting statement has been available for public inspection on the CMS webpage since 2-22-2013.
