☐ 1. I (and/or my representative) wish to appear at a face-to-face disability hearing. The disability hearing will be with a person called a disability hearing officer and it will let me explain why I do not agree with the decision to stop benefits.

☐ I need an interpreter at the disability hearing - Language _____
(If you need an interpreter, SSA will provide one at no cost to you.)

OR

☐ 2. I do not wish to appear nor do I wish a representative to appear for me at the disability hearing. I have been advised of my right to have a disability hearing. I understand that a disability hearing will give me a chance to present witnesses. It will also let me explain to the disability hearing officer why my disability benefits should not end. I understand that this chance to be seen and heard could help the disability hearing officer learn about the facts in my case. The disability hearing officer would give me a chance to have people who know about my condition give information and explain how my condition keeps me from working and restricts my activities. I have been told about my right to representation at the disability hearing, including representation by an attorney or other person of my choice. Although the above has been explained to me, I do not want to appear at a disability hearing, or have someone represent me at a disability hearing. I prefer to have the disability hearing officer decide my case on the evidence in my file, plus any evidence that I submit or that may be obtained by the Social Security Administration. I have been advised that if I change my mind, I can request a disability hearing prior to the writing of a decision in my case. In this case, I can make the request with any Social Security office.
