

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Coast Guard District Five (D5), Coast Guard Auxiliary Safety Survey	OMB No. 1625-new Exp: mm-dd-yyyy
---	--	-------------------------------------

Who must comply?	Coast Guard Auxiliary members wishing to voluntarily participate in the District Five Auxiliary Safety Survey.
What is this collection about?	This information collection is associated with Safety and Risk Management (SARM) Council initiatives to enhance operational safety throughout D5. The SARM Council plans to utilize an online survey to conduct a safety/hazard assessment for organizational volunteers engaged in Coast Guard operations.
Where do I find the requirements for this information?	Auxiliarists participation in the Coast Guard's safety program can be found in the Safety and Environment Health Manual, COMDTINST M5100.47 (series) can be found at https://cgportal2.uscg.mil/sites/externaldata/Directives/CIM_5100_47.pdf as well as Auxiliary Operations Policy Manual, COMDTINST M16798.3 at https://cgportal2.uscg.mil/sites/externaldata/Directives/CIM_16798_3E.pdf .
When must information be submitted to the Coast Guard?	The deadline for submission will be 15 days after issuance of the survey to Auxiliary members.
How is the information submitted?	Electronically only via https://surveys.uscg.mil/Community/se.ashx?s=6F20F77460608CE6
What happens when complete information is received?	The D5 SARM Council will work in concert with Auxiliary leadership throughout the district to respond to safety concerns to enhance operations for each member.
For additional information, contact--	D5 SARM Council Chair at (609) 677-2047

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden per response for this report is about 10 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commanding Officer, FAA Technical Center Building 350, Atlantic City International Airport, Egg Harbor Township, NJ 08234.
