## Certification Application (Form I-17) Has Been Submitted

You will receive an email confirming the submission of this certification application. The email will contain additional information on the application review process.

Initial submission of an electronic Form I-17 for SEVIS certification and enrollment requires a fee payment, as specified in the Department of Homeland Security interim rule, "Requiring Certification of all Service Approved Schools for Enrollment in the Student and Exchange Visitor Information System (SEVIS)."

You must pay the fee at Pay.gov, our electronic payment web site. To pay the fee, access <https://www.pay.gov/>. In the "Search Public Forms" box on the main page, type in SEVIS, and click "Go." Click the "I-17 SEVIS School Certification" link from the list of forms displayed. This will bring you to the "DHS SEVIS School Certification Payment" page where you can pay the fee. As specified in the full certification rule, the total SEVIS certification rule includes the Form I-17 processing portion (\$1700.00), plus the cost of an on-site visit (\$655.00) per campus. Please refer to the full certification rule for details on the calculation of a total fee based on multiple campuses. (Federal Register, 73 FR 55683 (September 26, 2008))

Adjudication of the certification application in SEVIS will not proceed until the SEVP Certification Branch receives payment verification from Pay.gov. Then, an SEVP Official will review the application and determine the school's eligibility for enrollment in SEVIS. You will be notified of the eligibility decision via email. If further review is required to determine the eligibility, DHS will contact you with additional instructions.
