*The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS' NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (**Federal Register**, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the **Federal Register** on April 30, 2010 (75 FR 22809). After receiving DOT certification, the laboratory will be included in the monthly list of HHS-certified laboratories and participate in the NLCP certification maintenance program.

Filing Procedures for Employment Authorization and Automatic Extension of Existing Employment Authorization Documents for Liberians Eligible for Deferred Enforced Departure

AGENCY: U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS).

ACTION: Notice.

SUMMARY: On September 26, 2014, President Obama issued a memorandum to the Secretary of Homeland Security ("Secretary"), Jeh Charles Johnson, directing him to extend for an additional 24 months the deferred enforced departure (DED) of certain Liberians and to provide for work authorization during that period. The DED extension runs from October 1, 2014, through September 30, 2016. This Notice provides instructions for eligible

Liberians on how to apply for the full 24 month extension of employment authorization. Finally, this Notice provides instructions for DED-eligible Liberians on how to apply for permission to travel outside the United States during the 24 month DED period.

USCIS will issue new employment authorization documents (EADs) with a September 30, 2016 expiration date to Liberians whose DED has been extended under the Presidential Memorandum of September 26, 2014, and who apply for EADs under this extension. Given the timeframes involved with processing EAD applications, DHS recognizes that not all DED-eligible Liberians will receive new EADs before their current EADs expire on September 30, 2014. Accordingly, this Notice also automatically extends for 6 months (through March 30, 2015) the validity of DED-related EADs that have an expiration date of September 30, 2014, and explains how Liberians covered under DED and their employers may determine which EADs are automatically extended and their impact on Employment Eligibility Verification (Form I-9) and E-Verify processes.

DATES: The 24 month extension of DED is valid through September 30, 2016. The 6-month automatic extension of employment authorization for Liberians who are covered under DED, including the extension of their EADs as specified in this Notice, is effective on October 1, 2014, and expires on March 30, 2015.

SUPPLEMENTARY INFORMATION:

Presidential Memorandum Extending DED for Certain Liberians

Pursuant to his constitutional authority to conduct the foreign relations of the United States, President Obama has directed that Liberian nationals (and eligible persons without nationality who last resided in Liberia) who are physically present in the United States, have continuously resided in the United States since October 1, 2002, and who remain eligible for DED, be provided DED for an additional 24 month period. See *Presidential Memorandum—Deferred Enforced Departure for Liberians*, September 26, 2014 ("Presidential Memorandum") at <http://www.whitehouse.gov/the-press-office/2014/09/26/presidential-memorandum-deferred-enforced-departure-liberians>. Note that only individuals who held TPS under the former Liberia TPS designation as of September 30, 2007 are eligible for DED, provided they have continued to meet all other eligibility criteria established by the President. The President also directed the Secretary to implement the necessary steps to authorize employment authorization for eligible Liberians for 24 months from October 1, 2014 through September 30, 2016.
