Please find your small business name under, "Company Name" and click on it to begin the survey. If you begin the survey, and are unable to complete it in one session, that's OK. You may come back to survey at any time before the survey period closes to access it and continue where you left off. However, if the "Survey Status" listed to the right of the "Company Name" reads, "Completed", you are no longer able access the survey. This may occur if you have assigned the completion of the survey to someone else in your company and he or she has completed it. Please keep in mind that the survey is only accessible to one company user at a time.

Company Name	Survey Status
Aegis Technology Inc.	Incomplete

For questions regarding the content in or questions about this survey, please contact the U.S. Department of Energy SBIR/STTR Programs Office contact, Chris O'Gwin at chris.ogwin@science.doe.gov

Commercialization Survey

U.S. DEPARTMENT OF ENERGY

[My Companies](#) | Aegis Technology Inc. [Logout](#)

The General Information sought on the next several pages gives us more information about your company. Please provide the full commercial history for each Phase II SBIR/STTR funded project you have received from DOE. For an explanation of what's requested, scroll over each field of the survey and complete all fields before submitting. If the question does not apply to a specific SBIR/STTR award, put NA or 0 for numerical responses.

Section	Status
General Information	Incomplete
Awards	Incomplete

Once you or your company representative have completed the survey, please click on the "Submit Survey" button. That's it! Please keep in mind that you must complete the "General Information" page and the "Awards" page as it applies to your small business before you can submit the survey. And once you submit, the survey is no longer available or even visible to you or other assigned company users to edit.

For questions regarding the content in or questions about this survey, please contact the U.S. Department of Energy SBIR/STTR Programs Office contact, Chris O'Gwin at chris.ogwin@science.doe.gov
