A Special Thank You

...for participating in the American Housing Survey (AHS) for the past ten years!

The U.S. Department of Housing and Urban Development and the U.S. Census Bureau appreciates your continued response to this important survey. We have returned to your address every two years and you have completed the interview each time. The data obtained about your residence and household have helped to provide valuable information about the past, current, and future housing needs of the American people.

Since there will be a completely new sample of addresses selected for the 2015 AHS, we will not return to your address in the future. We are pleased you have trusted us to keep your information confidential and we will continue to do so.

Please accept our gratitude for being a dependable and reliable source of information through the years.

Sincerely,

Thomas L. Mesenbourg Jr.
Acting Director
