**Draft HUD FSS Mini-Survey Questionnaire**

Thank you for taking the time to speak with me today. We are conducting brief interviews with people who have Housing Choice or Section 8 rent vouchers and who signed up for the study of [HA Name's] Family Self-Sufficiency Program in [2013/2014]. This should only take about 10 minutes. We will mail you a \$5 gift card as a "thank you" for completing the interview.

We are conducting this survey on behalf of the U.S. Department Housing and Urban Development, or HUD, who sponsors the FSS program. HUD has contracted with MDRC, a not-for-profit research company and M Davis and Company, a survey firm, to collect information from people who volunteered to join the FSS study. Some people who signed up for the study are enrolled in the FSS program and other people are not in the program.

The interview is easy to do. Your participation is voluntary. That means you may choose not to answer any question, or you may stop the interview if you wish, but we hope you don't. What you say will not affect your receipt of any government program or benefits now or in the future.

Your information is confidential. What you tell me will not be reported in a way where you could be identified.

And finally, this interview might be monitored or recorded for quality control purposes.
