#### Send to State Board

Federal law (42 USC §11134(c)(2)) requires that you send a copy of your report to the appropriate state licensing board in the state in which the reporting entity is located. For purposes of this requirement, the state in which the practitioner was practicing is considered to be the location of the reporting entity.

According to Data Bank records, licenses or certifications for **Podiatrist** in the state of **MARYLAND** are administered by:

BOARD OF PODIATRIC MEDICAL EXAMINERS (BALTIMORE, MD)

To fulfill my organization's legal requirement to report this action to the state board:

- I agree to allow the Data Bank to send an electronic report notice to BOARD OF PODIATRIC MEDICAL EXAMINERS. I attest that this is the correct state board to notify based on where the professional society action arose.
- I attest that I will provide a copy of this report to the appropriate state board.

#### Note:

- If you choose to send an electronic report notice to the state board, you should receive an email
  as well as a Data Bank correspondence within 7 days verifying that the state board has or has not
  viewed the electronic notice.
- If the appropriate state board is not listed here you must mail a printed copy of the official report
  (the Report Verification Document) to the appropriate state licensing board(s) to fulfill this
  requirement. If the practitioner was not licensed in the state in which the practitioner was
  practicing (which may be the case with federally-employed practitioners) or if the practitioner was
  practicing at overseas military locations, you must send a copy of the report to the licensing board
  in at least one state in which the practitioner is licensed.

#### Certification

I certify that I am authorized to submit this transaction and that all information is true and correct to the best of my knowledge.
