

Please provide information as indicated in the fields below & return by secure message to the Data Bank. Include disciplinary action data for the years xx/xx/xxxx through xx/xx/xxxx, including actions taken in that timeframe to revise, modify, or reinstate any prior action. In addition, we are requesting those actions that a board may not consider disciplinary but are reportable to the Data Bank (e.g., administrative suspensions, monetary penalties connected to the delivery of health care).
