Missing Action Form

Four scenarios are presented below.
Based on an entity's response, the text box will appear in a different location on the form.

Scenario 1

Scenario 2

COMPLIANCE ACTION RESOLUTION OPTIONS   *the* **DataBank**
                                                            NATIONAL PRACTITIONER

Issue Type:	**Potential Missing Report**
Issue Description:	The Data Bank has reviewed records about disciplinary actions within your state. We could not find a report in the Data Bank on the following action taken by your organization. You may be required to report the following action:

        Public Reprimand and Fine
        Date of Action: 03/01/2010

Related Correspondence:

> *** Message Received: 09/13/2013 ***
>
> Hi Ms. ██
> I understand the applicant was not licensed and that in itself is not reportable. I have a few additional questions about the applicant due to not being able to read the orders.

Status: Unresolved

Subject: ███████████

Activity Log

- 06/25/2013 - An action on ███████████ was identified as a potential missing report.
- 09/03/2013 - Close this issue - this action is not reportable. The applicant has no license and the adverse action did not take effect until the individual was licensed.

What do you want to do?

- ○ Submit a new report.
- ○ Keep this issue open - I will resolve it later.
- ● Ask a question about this report or process.

  [   ]

- ○ Close this issue - this action has already been reported.
- ○ Close this issue - this action is not reportable.
