What best describes your organization?

If your organization meets more than one of the following descriptions, select the most appropriate description, but ensure that you comply with all requirements associated with Data Bank eligibility.

Hospital

[Less...](#)

An institution primarily engaged in providing inpatient diagnostic and therapeutic services; rehabilitation services for medical diagnosis, treatment, and care; or rehabilitation of injured, disabled, or sick persons by or under the supervision of physicians. The hospital must also be licensed or approved as meeting the standard established for licensing by the State or applicable local licensing authorities (Section 1861(e) (1) and (7) of the Social Security Act).

Other Health Care Entity*

(Examples include, HMOs, PPOs, MCOs, Surgical Centers, Nursing Facilities, Community Health Centers, Hospices, Ambulatory Facilities, etc.)

[Less...](#)

A health care organization, other than a hospital, that provides health care services and follows a formal peer review process to further quality health care. Health care services may be delivered through an array of coverage arrangements or other relationships with practitioners by employing them directly or through contractual or other arrangements. This excludes indemnity insurers that have no contractual or other arrangement with physicians, dentists, or other health care practitioners.

Medical Malpractice Payer

[Less...](#)

A Medical Malpractice Payer makes payments for the benefit of a physician, dentist, or other licensed health care practitioner in settlement of, or in satisfaction in whole or in part of, a claim or judgment against such physician, dentist, or other licensed health care practitioner. Hospitals and Other Health Care Entities should only select this option if they want to register a separate department that only reports malpractice payments.

Professional Society*

[Less...](#)

A membership association of physicians, dentists, or other health care practitioners that follows a formal peer review process for the purpose of furthering quality health care. Examples of professional membership societies may include medical and dental societies and academies of medicine and dentistry.

Private Entity Under Contract to Administer a Federal Health Care Program

[Less...](#)

A for-profit business or a non-profit organization that is under a contract to administer a Federal health care program.

Health Plan (if no other option applies)

[Less...](#)

A plan, program, or organization that provides health care benefits, whether directly or through insurance, reimbursement, or otherwise. Health care organizations may be recognized as "health plans" if they meet the basic definition of "providing health benefits." Health plans include, but are not limited to, the following:

- A policy of health insurance
- A contract of a service benefit organization
- A membership agreement with a health maintenance organization or other prepaid health plan
- A plan, program, or agreement established, maintained, or made available by an employer or group of self-insured employers; a practitioner, provider, or supplier group; a third party administrator; an integrated health care delivery system; an employee welfare association; a public service group or organization; or a professional association
- An insurance company, insurance service, or insurance organization that is licensed to engage in the business of selling health care insurance in a State, and that is subject to State law which regulates health insurance
- An organization that provides benefit plans whose coverage is limited to outpatient prescription drugs

Peer Review Organization

[Less...](#)

An organization whose primary purpose is to:

- Evaluate the quality of patient care practices or services ordered or performed by health care practitioners measured against objective criteria which define acceptable and adequate practice through an evaluation by a sufficient number of health practitioners in such an area to ensure adequate peer review.
- The organization has due process mechanisms available to health care practitioners.
- This definition excludes utilization and quality control peer review organizations described in Part B of Title XI of the Social Security Act (referred to as QIOs) and other organizations funded by the Centers for Medicare and Medicaid Services (CMS) to support the QIO program.

Quality Improvement Organization Under Contract With the Centers for Medicare & Medicaid Services (CMS)

[Less...](#)

Quality Improvement Organizations (QIOs) also referred to in statute as utilization and quality peer review organizations are private companies that hold contracts with the Centers for Medicare and Medicaid Services to monitor the quality of care provided to Medicare beneficiaries. There is one company for each U.S. state and territory that is designated as the QIO for that region.

Private Accreditation Organization

[Less...](#)

An organization that:

- Evaluates and seeks to improve the quality of health care provided by a health care entity, provider, or supplier;
- Measures a health care entity's, provider's, or supplier's performance based on a set of standards and assigns a level of accreditation;
- Conducts ongoing assessments and periodic reviews of the quality of health care provided by a health care entity, provider or supplier; and
- Has a due process mechanism available to health care entities, providers, or suppliers.

RESULTS: Statutory Authority and Requirements

Based on your answers, your organization is eligible to register with the Data Bank under the following statutory authority functions. Certain agencies and organizations may qualify under more than one function per statute. Your organization must comply with all regulatory requirements associated with Data Bank eligibility, including, but not limited to the associated querying and reporting requirements listed below.

Statutory Authority	Function	Querying	Reporting
Title IV	Hospital	Mandatory	Mandatory
Section 1921	Hospital*	Optional	No Requirement
Section 1128E	Hospital	Optional	No Requirement

* Government hospitals and health care entities that qualify as one of the Federal or State agencies specified in this statute and regulations should select a Section 1921 and Section 1128E statutory authority for that type of agency in order to receive all information to which they are entitled.

Do the Statutory Authority selections accurately describe your organization?

Yes No

Entity Primary and Additional Functions

Choose a primary function that best describes the health care related function or service your organization performs. You can select one primary function and up to two additional functions. If an appropriate description does not appear on the list, select "Other" and describe the function.

Point Of Contact For Reports

A report point of contact is applicable only if the entity is eligible under law to submit reports. You may designate an individual or office to be the point of contact to be included on all reports submitted by your organization to the NPDB. If your entity does not designate a point of contact, the submitter of each individual report will be listed as the point of contact for that report.
