Public reporting burden of this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-0572)

INDIVIDUAL INTERVIEW AND FOCUS GROUP SCREENING INSTRUMENT

Introduction

Hello, my name is _____ and I'm from (name of company). We are calling on behalf of RTI International, a non-profit research organization, and the Centers for Disease Control and Prevention.

We are not selling any product. We are calling to invite men/women in your area to join in interviews as part of a research study about HIV. Your opinions are important to us and will contribute to the CDC's fight against HIV/AIDS.

If you are eligible and choose to participate in the interview, you will receive \$50 as a token of our appreciation for participating in this important study.

To see if you are eligible for this study, we need to ask you some personal questions. There will be some explicit questions about your sexual behavior and HIV. It is your choice to answer these questions. Your answers will be kept private. You can refuse to answer a question or stop at any time.

All of your comments will be kept private. If you are not eligible and/or choose not to be part of the study, all responses you give me today will be destroyed and you will not be contacted again.

My questions will only take a few minutes. May I ask you the questions now?

Yes.....1 Continue

26. Closing for Ineligible Participants:

Thank you for answering all of my questions. You are not eligible to be in this study. There are many possible reasons why people are not eligible for the study. These reasons were decided earlier by the researchers. We value your interest in this research study. Thank you for being willing to help us.

27. [IF “YES” TO EITHER INVITATION, READ THE FOLLOWING STATEMENTS...]

“We will be audiotaping the interview and some project staff from CDC may be observing the interview. We may also use a live video or audio stream so project staff from CDC can observe from a computer in another location.” **In order to participate in the interview, you must agree to being audiotaped and allowing staff from the CDC to observe.** As I said, if you choose to attend, whatever you say will be kept private. We will never link your name with any comment you make in the interview in any report that we write.”

“If you need to wear glasses either for reading or watching TV, please bring them with you to the interview.”

“Also, we need to let you know that there will not be any childcare provided at the facility, so please make the appropriate childcare arrangements if you have children.”

In order for us to send you a reminder letter/email with directions to the interview and to call to remind you of your appointment time, I need to ask for your contact information. We will destroy this information after the interview is over.
