

**GenIC Request to OMB Control # 0920-1011
Emergency Epidemic Investigation Data Collections
Adjustment to Burden for Year 1, Quarter 3**

April 22, 2015

This generic IC request for the Emergency Epidemic Investigations (EEI) Generic ICR, (OMB Control No. 0920-1011, Expiration 3/31/17) aims to adjust the quarterly burden and number of respondents.

The generic information collections conducted in this quarter, October 1, 2014 to December 31, 2014, exceeded the quarterly estimates established by the generic clearance. In this quarter, 14,866 respondents and 4,916 burden hours were used, more than the estimated 8,585 respondents and 1,972 burden hours.

CDC requests an adjustment of 6,281 respondents and 2,944 burden hours for this quarter of information collection.
