

**GenIC Request to OMB Control # 0920-1011
Emergency Epidemic Investigation Data Collections
Adjustment to Burden for Year 1, Quarter 4**

April 23, 2015

This generic IC request for the Emergency Epidemic Investigations (EEI) Generic ICR, (OMB Control No. 0920-1011, Expiration 3/31/17) aims to adjust the quarterly burden and number of respondents.

The generic information collections conducted in this quarter, January 1, 2015 to March 31, 2014, exceeded the quarterly estimates established by the generic clearance. In this quarter, 1,102 respondents and 303 burden hours were used, more than the estimated 806 respondents and 285 burden hours.

CDC requests an adjustment of 296 respondents and 18 burden hours for this quarter of information collection.
