

Email Invitation

To: Director of Nursing, NCI-Designated Cancer Center

From: Resource Mailbox Managed by NCI

Subject: Request: Assessment of International Oncology Nursing Projects

The NCI Center for Global Health would like to learn more about the activities of NCI-Designated Cancer Centers in relation to oncology nursing education and training projects in countries outside the U.S., especially in low and middle income countries (LMICs).

We invite you to complete a brief survey about any such projects that your cancer center supports. NCI is collecting, collating and making this data available with the intention of fostering collaboration among organizations and institutions, and developing an oncology nursing resource network to facilitate future projects.

This survey consists of 21 questions and can be completed in approximately fifteen minutes. There are no risks to participating in this survey, nor are there are direct benefits to you for participating in the survey. If you agree to participate, please click the link below and complete the survey.
