Collection and Use of Personal Information

Section 1860D-14 of the Social Security Act, as amended, authorizes us to collect this information. The information you provide will be used to obtain financial information in regards to determining initial or continuing eligibility, as well as the accuracy of the subsidy amount for Medicare Part D benefits.

The information you furnish on this form is voluntary. However, failure to provide the requested information could result in a suspension or loss of eligibility.

We rarely use the information you supply for any purpose other than for determining eligibility for Medicare Part D. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 1. To enable a third party or an agency to assist Social Security in establishing rights to Medicare benefits and/or coverage;
