TITLE OF INFORMATION COLLECTION:

Input from Child Care Policy Research Consortium Members for CCPRC 2015 Annual Meeting

PURPOSE:

We are seeking input on programming for the 2015 Annual Meeting of the Child Care Policy Research Consortium (CCPRC). The Annual Meeting brings together researchers, program administrators and policymakers concerned with building the knowledge base and strengthening bridges between research and policies concerning child care subsidies and other initiatives to increase access to high quality early care and education. We have developed an initial list of priority discussion topics and research issues. However, we want the meeting agenda to:

- (a) reflect ideas and interests from a wider spectrum of perspectives;
- (b) include new research by CCPRC members that is relevant to goals of CCPRC; and
- (c) nurture new connections and collaborations among CCPRC members.

A brief web-based survey of CCPRC members will provide a quick and convenient opportunity for CCPRC members to contribute their views, current interests, work and questions to shape the meeting agenda.

DESCRIPTION OF RESPONDENTS:

Name: Ann C. Rivera

The survey will be sent to current members of the Child Care Policy Research Consortium (CCPRC), a network of current and former grantees, contractors, and other stakeholders who

have received funds from the Administration for C addressing policy questions of relevance to the Ch initiatives in the field of early care and education. CCPRC includes 275 individuals.	hildren and Families to conduct research ild Care Development Fund and related
