

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: **0970-0401**)

TITLE OF INFORMATION COLLECTION:

Feedback from participants at the *Enhancing the Cultural Responsiveness of Social Services* Webinar.

PURPOSE:

The ACF Office of Planning, Research and Evaluation (OPRE) is seeking approval to collect feedback from *Enhancing the Cultural Responsiveness of Social Services* webinar participants. The webinar seeks to:

- i. expand ACF staff and grantees’ understanding of what it means to be culturally responsive/competent;
- ii. facilitate discussion about potential strategies that ACF programs can adopt to advance cultural responsiveness;

We will collect information through a registration form, a feedback form, and two polls during the presentation.

The registration form will provide information about who attends the webinar. Specifically, this form will collect information about participants’ professional roles, their familiarity with the content matter of the webinar presentation, their reason for participating, and specific issues they want to see addressed. This information will enable us to more effectively tailor the content of the remaining webinars in the series to the needs and interests of our audience. During the webinars, facilitators will use brief poll questions to actively engage webinar participants and to adapt content and discussion during the webinar. The post-event feedback form is intended to assess participants’ experience and satisfaction with the webinars, and to help determine what other topics or resources would interest webinar attendees. Findings will be used internally by OPRE to improve the planning of future events and resources addressing cultural responsiveness to meet the needs of our stakeholders.

DESCRIPTION OF RESPONDENTS:

The webinar forms will be provided to all meeting participants, which we expect to include grantees, researchers, and federal program staff.
