

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: The Child Welfare Capacity Building Collaborative’s CapLEARN Registration Form on the Child Welfare Information Gateway Website

PURPOSE: The [Children's Bureau](#), Administration for Children and Families, U.S. Department of Health and Human Services, funds the Child Welfare Capacity Building Collaborative, a partnership of three centers—the [Center for States](#), [Center for Tribes](#), and [Center for Courts](#). The Collaborative is designed to help public child welfare agencies, Tribes, and courts enhance and mobilize the human and organizational assets necessary to meet Federal standards and requirements; improve child welfare practice and administration; and achieve safety, permanency, and well-being outcomes for children, youth, and families. Website support for the Collaborative is provided by the Child Welfare Information Gateway, an information dissemination service funded by the Children’s Bureau. The Child Welfare Information Gateway hosts CapLEARN, an on-line tool developed by the Collaborative to provide training, learning, and professional development opportunities.

This is a request for approval by the Office of Management and Budget (OMB), under the Federal Paperwork Reduction Act of 1995, for an information collection task to be added to the Administration for Children and Families’ already approved generic OMB clearance # 0970-0401. The proposed information collection activity includes asking online users to provide background information when completing the CapLEARN registration process. Background information collected from registration forms will be used to better understand what types of users are registering for CapLEARN and the information, training, and resources they seek. This information, in turn, will be used by the Collaborative to better meet the needs of users.

The CapLEARN registration process and database is also currently undergoing a privacy impact assessment (PIA) with the ACF Privacy Office and DHHS (PIA# P-3573266-559146).
