## PMFO Fiscal Consulting Initiative Feedback Survey

This survey is part of a comprehensive and ongoing evaluation of services provided through the PMFO Fiscal Consulting Initiative (FCI). We ask that you take five minutes to provide your candid feedback to us so that PMFO can continuously monitor and improve the quality and impact of its services. As your feedback relates to a very specific consulting engagement and you are one of a limited number of respondents from your organization, the confidentiality of your response is limited. However, all feedback will be received in a professional manner. If you have questions regarding this survey or wish to provide additional feedback “off the record,” please contact PMFO evaluation lead, Steven Ellis, at [sellis@donahue.umassp.edu](mailto:sellis@donahue.umassp.edu).

*THE PAPERWORK REDUCTION ACT OF 1995 (Pub.L. 104-13)*

*Public reporting burden for this collection of information is estimated to average approximately seven (7) minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information.*

*An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.*
