

Partner	Type of organization*	Primary role on RPG project	Whether this is a new partner?	Whether formal agreement established?	If yes, type of agreement

Notes: This list of partners is taken from your most recent SAPR. Mathematica categorized partners by organization type using the list below. We determined whether a partner was new or not by comparing the list of partners in your most recent SAPR to prior reports. If you disagree with the contents of either column, please feel free to make corrections. All other columns contain information you reported in your most recent SAPR or your application.

***List of organization types:** Substance abuse (SA) agency (county/regional or state); SATx agency/provider; child welfare (CW) agency (county/regional or state), child welfare services (CWS) provider; court or corrections agency (county or state); health care provider; mental/behavioral health services provider; other child & family services; advocacy, volunteer, or collaborative organization; other support provider.
