Instructions for completing a PPI pricing form:

Item/Service and Transaction Descriptions:

If the Item/Service Description or the Terms of Transaction, or both, no longer apply, please select a substitute item/service or transaction terms. Item/service substitution should only occur when the item/service previously reported is no longer available because it is being or has been permanently discontinued. The substitute item/service should be as similar as possible to the current item/service and should be expected to remain available for some time. The substitute transaction terms should likewise be as similar as possible to the discontinued transaction terms.

Report these changes in the closest open area and provide current price information.

Adjustments to Price:

Following is a list of the more common adjustments to price. The specific Adjustments to Price on the pricing form were selected originally and should be changed only when either the level of an existing adjustment changes or a new adjustment becomes applicable to the item/service and transaction described.

Deductions from price include:

1. Standard discounts (Cash, Seasonal, Cumulative Volume, and Trade)
2. Rebates
3. Other recurring discounts
4. Other nonrecurring discounts (Competitive and Negotiated)

Additions to price include:

1. Surcharges
2. Other charges added to price

Taxes should always be excluded from the price. If this exclusion is not possible, note this in REMARKS.

Freight charges should be excluded from the price unless delivery was selected originally as part of the product. Make changes if the currently described freight terms no longer exist.

QUESTIONS:

Answer whether changes have (YES) or have not (NO) been made to the Item/Service Description, Terms of Transaction, Adjustments to Price, or Previously Reported Prices.

Answer YES or NO depending on whether the shipment/transaction price of the item/service described changed (YES) between the two dates listed or whether the shipment/transaction price did not change (NO) during the time period. If the answer is NO, the form has been completed and is ready for faxing/ mailing.

DO NOT ENTER A PRICE IF THE PRICE HAS NOT CHANGED!

If the answer is YES, please also enter the new price.

Write in any corrections to the terms or the address to whom this form should be sent in the future. Name and address changes need to be made on only one form.

Please complete and return within 5 business days all of the pricing forms even if there are no changes.

If you anticipate a change in any of the information you provide, please indicate in REMARKS. List the anticipated changes and when they will occur.

Any questions you have regarding the pricing form or its completion may be resolved by calling the person listed on the reverse side of this form.
