Crewman's Landing Permit  
(Form I-95)  
1651-0114**

**A. Justification**

- 1. Explain the circumstances that make the collection of information necessary. Identify any legal or administrative requirements that necessitate the collection. Attach a copy of the appropriate section of each statute and regulation mandating or authorizing the collection of information.**

CBP Form I-95, *Crewman's Landing Permit*, is prepared and presented to CBP by the master or agent of vessels and aircraft arriving in the United States for alien crewmen applying for landing privileges. This form is provided for by 8 CFR 251.1(c) which states that, with certain exceptions, the master, captain, or agent shall present this form to CBP for each nonimmigrant alien crewman on board. In addition, pursuant to 8 CFR 252.1(e), CBP Form I-95 serves as the physical evidence that an alien crewmember has been granted a conditional permit to land temporarily, and it is also a prescribed registration form under 8 CFR 264.1 for crewmen arriving by vessel or air. CBP Form I-95 is authorized by Section 252 of the Immigration and Nationality Act (8 U.S.C. 1282) and is accessible at <http://www.cbp.gov/sites/default/files/documents/CBP%20Form%20I-95.pdf>.

- 2. Indicate how, by whom, and for what purpose the information is to be used. Except for a new collection, indicate the actual use the agency has made of the information received from the current collection.**

The use of this form provides the most efficient means for collecting and processing data regarding alien crewmen applying for landing privileges.

- 3. Describe whether, and to what extent, the collection of information involves the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses, and the basis for the decision for adopting this means of collection. Also describe any consideration of using information technology to reduce burden.**

This form is filled out on a conveyance or at a border location so it would not be feasible to submit this information electronically.

- 4. Describe efforts to identify duplication. Show specifically why any similar information already available cannot be used or modified for use for the purposes described in Item 2 above.**

This information is not duplicated in any other place or any other form.

- 5. If the collection of information impacts small businesses or other small entities, describe any methods used to minimize burden.**

This information collection does not have an impact on small businesses.

- 6. Describe consequences to Federal program or policy activities if the collection is not conducted or is conducted less frequently, as well as any technical or legal obstacles to reducing burden.**

If this information was not collected, CBP as well as an owner, agent, consignee, master or commanding officer of any vessel or aircraft entering the United States would be in violation of the Immigration and Nationality Act, which requires the report of manifest requirements and authorizes entry into the United States of crewmen.

- 8. If applicable, provide a copy and identify the date and page number of publication in the Federal Register of the agency's notice, required by 5 CFR 1320.8(d), soliciting comments on the information collection prior to submission to OMB. Summarize public comments received in response to that notice and describe actions taken by the agency in response to these comments. Specifically address comments received on cost and hour burden.**

Public comments were solicited through two Federal Register notices dated October 27, 2014 (Volume 79, Page 63934) on which no comments were received, and on January 13, 2015 (Volume 80, Page 1651) on which no comments have been received.

- 9. Explain any decision to provide any payment or gift to respondents, other than remuneration of contractors or grantees.**

This justification should include the reasons why the agency considers the questions necessary, the specific uses to be made of the information, the explanation to be given to persons from whom the information is requested, and any steps to be taken to obtain their consent.**

There are no questions of a sensitive nature associated with this collection.
