

Narrative of Changes

The purpose of the Narrative of Changes is to clearly indicate changes to a collection since the previous approval.

Collection Title:

OMB Control No.: 1660-0069

Current Expiration Date: March 31, 2015

Collection Instruments: NFIRS (USFA provided software; Data Entry Browser Interface; or vendor provided software.)

The following are the changes to the collection:

Paper NFIRS forms are no longer provided/maintained by FEMA-USFA.

Supporting Statement:

Question 8a does not reflect FRN information since it has yet to be published.

Question 10 – Updated to reflect current privacy information.

Question 12 – USFA no longer provides or uses paper forms in NFIRS. In addition, NFIRS system participation has leveled off over the recent years remaining on average roughly the same as reported previously.

Question 13 – Annual cost burden to respondents updated.

Question 14 costs to the Federal Government updated.

Question 15 - Updated.

Explain:

PLEASE NOTE ANY OTHER MAJOR CHANGES HERE IF APPLICABLE.
