User is logged on to GMSS. User has started a new Highway Safety Plan. (See GMSS-APP-402-0001 NHTSA Grant Application - Summary Information script for more details on logging in and starting a new HSP.) The GTL has indicated that the State is eligible to apply for the 405(d)-impaired Low Range grant while completing their administration steps in GMSS-APP-NHTSA-HQ.			State users are able to complete the 405(d)-impaired Low Range section appropriately.			
Step #	Role	Step Description	Visual	Expected Result	Actual Result (Enter a description only if the result is different from Expected or if the step fails.)	Status
5	All State users	Under the Application Documents section, click on the Upload button.		The Upload Documents window is displayed.		
6	All State users	Click the Choose File button to upload a file and click the OK button.		The document is uploaded in the application.		
7	All State users	Click the Validate Page button on the top header.		The System checks that all of the required fields have a value. If a required field does not have a value, a validation error will display in a yellow banner. The validation error will remain until the user addresses the error. If all fields have a value, the 405(d) status will change to Validated .
