(3) if executed by a mortgagor which is a public body or agency (and, except with respect to a project assisted or to be assisted pursuant to section 8 of the United States Housing Act of 1937, which certifies that it is not receiving financial assistance from the United States exclusively pursuant to such

Act), a cooperative (including an investor-sponsor who meets such requirements as the Secretary may impose to assure that the consumer interest is protected), or a limited dividend corporation (as defined by the Secretary), or a private nonprofit corporation or association, or other mortgagor approved by the Secretary, and regulated or supervised under Federal or State laws or by political subdivisions of States, or agencies thereof, or by the Secretary under a regulatory agreement or otherwise, as to rents, charges, and methods of operation, in such form and in such manner as in the opinion of the Secretary will effectuate the purposes of this section—

(ii)(I) not exceed, for such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$42,048 per family unit without a bedroom, \$48,481 per family unit with one bedroom, 58,469 per family unit with two bedrooms, \$74,840 per family unit with three bedrooms, and \$83,375 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$44,250 per family unit without a bedroom, \$50,724 per family unit with one bedroom, \$61,680 per family unit with two bedrooms, \$79,793 per family unit with three bedrooms, and \$87,588 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; (II) the Secretary may, by regulation, increase any of the dollar amount limitations in subclause (I) (as such limitations may have been adjusted in accordance with section 206A of this Act) by not to exceed 110 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 140 percent where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 305 of this Act (as such section existed immediately before November 30, 1983) is involved; and

(iii) not exceed (1) in the case of new construction, the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost may include the land, the proposed physical improvements, utilities within the boundaries of the land, architect's fees, taxes, incident to construction and approved by the Secretary), or (2) in the case of repair and rehabilitation, the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation: *Provided*, That the mortgage may involve the financing of the purchase of property

which has been rehabilitated by a local public agency with Federal assistance pursuant to section 110(c)(8) of the Housing Act of 1949, and, in such case, the amount of the mortgage shall not exceed the appraised value of the property as of the date the mortgage is accepted for insurance: *Provided further*, That in the case of any mortgagor other than a nonprofit corporation or association, cooperative (including an investor-sponsor), or public body, or a mortgagor meeting the special requirements of subsection (e)(1), the amount of the mortgage shall not exceed 90 per centum of the amount otherwise authorized under this section: *Provided further*, That such property or project, when constructed, or repaired and rehabilitated, shall be for use as a rental or cooperative project, and low and moderate income families or displaced families shall be eligible for occupancy in accordance with such regulations and procedures as may be prescribed by the Secretary and the Secretary may adopt such requirements as he determines to be desirable regarding consultation with local public officials where such consultation is appropriate by reason of the relationship of such project to projects under other local programs; or

(4) if executed by a mortgagor and which is approved by the Secretary—

[(i) [Repealed.]]

(ii)(I) not exceed, or such part of the property or project as may be attributable to dwelling use (excluding exterior land improvements as defined by the Secretary), \$37,843 per family unit without a bedroom, \$42,954 per family unit with one bedroom, \$51,920 per family unit with two bedrooms, \$65,169 per family unit with three bedrooms, and \$73,846 per family unit with four or more bedrooms; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$40,876 per family unit without a bedroom, \$46,859 per family unit with one bedroom, \$56,979 per family unit with two bedrooms, \$73,710 per family unit with three bedrooms, and \$80,913 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator-type structures of sound standards of construction and design; (II) the Secretary may, by regulation, increase any of the dollar limitations in subclause (I) (as such limitations may have been adjusted in accordance with section 206A of this Act) by not to exceed 110 percent in any geographical area where the Secretary finds that cost levels so require and by not to exceed 140 percent where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 305 of this Act (as such sec-

tion existed immediately before November 30, 1983) is involved;

(iii) not exceed (in the case of a property or project approved for mortgage insurance prior to the beginning of construction) 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost may include the land, the proposed physical improvements, utilities within the boundaries of the land, architect's fees, taxes, interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary, and shall include an allowance for builder's and sponsor's profit and risk of 10 per centum of all of the foregoing items, except the land, unless the Secretary, after certification that such allowance is unreasonable, shall by regulation prescribe a lesser percentage; and

(iv) not exceed 90 per centum of the sum of the estimated cost of repair and rehabilitation (including the cost of evaluating and reducing lead-based paint hazards, as such terms are defined in section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992) and the Secretary's estimate of the value of the property before repair and rehabilitation of the proceeds of the mortgage are to be used for the repair and rehabilitation of a property or project: *Provided*, That the Secretary may, in his discretion, require the mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation, and for such purpose the Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in any such mortgagor as the Secretary may deem necessary to render effective such restrictions or regulations, with such stock or interest being paid for out of the General Insurance Fund and being required to be redeemed by the mortgage at par upon the termination of all obligations of the Secretary under the insurance;

(5) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee; and contain such terms and provisions with respect to the application of the mortgagor's periodic payment to amortization of the principal of the mortgage, insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe: *Provided*, That a mortgage insured under the provisions of subsection (d)(3) shall bear interest (exclusive of any premium charges for insurance and service charge, if any) at not less than the lower of (A) 3 per centum per annum, or (B) the annual rate of interest determined, from time to time by the Secretary of the Treasury at the request of the Secretary, by estimating the average market yield to maturity on all outstanding marketable obligations of the United States, and by adjusting such yield to the nearest one-eighth of 1 per centum, and there shall be no differentiation in the rate of interest

charged under this proviso as between mortgagors under subsection (d)(3) on the basis of differences in the types or classes of such mortgagors; and

(6) provide for complete amortization by periodic payments (unless otherwise approved by the Secretary)¹ within such terms as the Secretary may prescribe, but as to mortgages coming within the provisions of subsection (d)(2) not to exceed from the date of the beginning of amortization of the mortgage (i) 40 years in the case of a displaced family, (ii) 35 years in the case of any other family if the mortgage is approved for insurance prior to construction, except that the period in such case may be increased to not more than 40 years where the mortgagor is not able, as determined by the Secretary, to make the required payments under a mortgage having a shorter amortization period, and (iii) 30 years in the case of any other family where the mortgage is not approved for insurance prior to construction.

(e)(1) A mortgagor which may be approved by the Secretary as provided in subsection (d)(3) includes a mortgagor which, as a condition of obtaining insurance of the mortgage and prior to the submission of its application for such insurance, has entered into an agreement (in form and substance satisfactory to the Secretary) with a private nonprofit corporation eligible for an insured mortgage under the provisions of subsection (d)(3), that the mortgagor will sell the project when it is completed to the corporation at the actual cost of the project, as certified pursuant to section 227 of this Act. The mortgagor to whom the property is sold shall be regulated or supervised by the Secretary as provided in subsection (d)(3) to effectuate its purposes.

(2) The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(f) The property or project shall comply with such standards and conditions as the Secretary may prescribe to establish the acceptability of such property for mortgage insurance and may include such commercial and community facilities as the Secretary deems adequate to serve the occupants: *Provided*, That in the case of any such property or project located in an urban renewal area, the provisions of section 220(d)(3)(B)(iv) shall apply with respect to the nondwelling facilities which may be included in the mortgage: *Provided further*, That in the case of a mortgage which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), the provisions of section 220(d)(3)(B)(iv) shall only apply if the mortgagor waives the right to receive dividends on its equity investment in the portion thereof devoted to commercial facilities.

¹Section 446 of the Housing and Urban-Rural Recovery Act of 1983, Pub. L. 98-181, approved November 30, 1983, added this parenthetical in sections 207(c)(3), 220(d)(4), 221(d)(6), and 231(c)(5) of the National Housing Act. Subsection (f) of such section further provides as follows:

"(f) The aggregate number of dwelling units included in properties covered by mortgages insured pursuant to the authority granted in the amendments made by this section in any fiscal year may not exceed 10,000."

A property or project covered by a mortgage insured under the provisions of subsection (d)(3) or (d)(4) shall include five or more family units: *Provided*, That such units, in the case of a project designed primarily for occupancy by displaced, elderly, or handicapped families, need not, with the approval of the Secretary, contain kitchen facilities, and such projects may include central dining and other shared facilities. The Secretary is authorized to adopt such procedures and requirements as he determines are desirable to assure that the dwelling accommodations provided under this section are available to displaced families. Notwithstanding any provision of this Act, the Secretary, in order to assist further the provision of housing for low and moderate income families, in his discretion and under such conditions as he may prescribe, may insure a mortgage which meets the requirements of subsection (d)(3) of this section as in effect after the date of enactment of the Housing Act of 1961, or which meets the requirements of subsection (h), (i), or (j) with no premium charge, with a reduced premium charge, or with a premium charge for such period or periods during the time the insurance is in effect as the Secretary may determine, and there is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, such amounts as may be necessary to reimburse the General Insurance Fund for any net losses in connection with such insurance. Any person who is sixty-two years of age or over, or who is a handicapped person within the meaning of section 202 of the Housing Act of 1959, or who is a displaced person, shall be deemed to be a family within the meaning of the terms "family" and "families" as those terms are used in this section. Low- and moderate-income persons who are less than 62 years of age shall be eligible for occupancy of dwelling units in a project financed with a mortgage insured under subsection (d)(3).

In any case in which it is determined in accordance with regulations of the Secretary that facilities in existence or under construction on the date of enactment of the Housing and Urban Development Act of 1970 which could appropriately be used for classroom purposes are available in any such property or project and that public schools in the community are overcrowded due in part to the attendance at such schools of residents of the property or project, such facilities may be used for such purposes to the extent permitted in such regulations (without being subject to any of the requirements of the proviso in section 220(d)(3)(B)(iv) except the requirements that the project be predominantly residential).

As used in this section the terms "displaced family", "displaced families", and "displaced person" shall mean a family or families, or a person, displaced from an urban renewal area, or as a result of governmental action, or as a result of a major disaster as determined by the President pursuant to the Disaster Relief and Emergency Assistance Act.¹

In order to induce advances by owners for capital improvements (excluding any owner contributions that may be required by the Secretary as a condition for assistance under section 201 of the

Any resulting increase in rent contributions shall be—

(A) to a level not exceeding the lower of 30 percent of the adjusted income of the tenant or the published existing fair market rent for comparable housing established under section 8(c) of the United States Housing Act of 1937;

(B) phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

(C) limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent.

Assistance under section 8 of the United States Housing Act of 1937 shall be provided, to the extent available under appropriations Acts, if necessary to mitigate any adverse effects on income-eligible tenants.

(g) The mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided—

(1) as to mortgages meeting the requirements of paragraph (2) of subsection (d) of this section, paragraph (5) of subsection (h) of this section, or paragraph (2) of subsection (i) of this section as provided in section 204(a) of this Act with respect to mortgages insured under section 203, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h), (j), and (k) of section 204 of this Act shall be applicable to such mortgages insured under this section, except that all references therein to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund and all references therein to section 203 shall be construed to refer to this section; or

(2) as to mortgages meeting the requirements of paragraph (3) or (4) of subsection (d) of this section, paragraph (1) of subsection (h) of this section, or paragraph (2) of subsection (j) of this section, as provided in section 207(g) of this Act with respect to mortgages insured under said section 207, and the provisions of subsections (h), (i), (j), (k), and (l) of section 207 of this Act shall be applicable to such mortgages insured under this section; or

(3) as to mortgages meeting the requirements of this section which are insured or initially endorsed for insurance on or after the date of enactment of the Housing Act of 1961,¹ notwithstanding the provisions of paragraphs (1) and (2) of this subsection, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such paragraphs in cash or in debentures (as provided in the mortgage insurance contract), or may acquire a mortgage loan that is in default and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any ac-

crued interest and any advances approved by the Secretary and made previously by the mortgagee under the provisions of the mortgage, and after the acquisition of any such mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the loan or the security for the loan. The appropriate provisions of sections 204 and 207 relating to the issuance of debentures shall apply with respect to debentures issued under this paragraph, and the appropriate provisions of sections 204 and 207 relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this paragraph, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages so acquired (A) all references in section 204 to the Mutual Mortgage Insurance Fund or the fund shall be construed to refer to the General Insurance Fund, and (B) all references in section 204 to section 203 shall be construed to refer to this section. If the insurance is paid in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(4)(A) In the event any mortgage insured under this section pursuant to a commitment to insure entered into before the effective date of this clause¹ is not in default at the expiration of twenty years from the date the mortgage was endorsed for insurance, the mortgagee shall, within a period thereafter to be determined by the Secretary, have the option to assign, transfer, and deliver to the Secretary the original credit instrument and the mortgage securing the same and receive the benefits of the insurance as hereinafter provided in this paragraph, upon compliance with such requirements and conditions as to the validity of the mortgage as a first lien and such other matters as may be prescribed by the Secretary at the time the loan is endorsed for insurance. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for insurance shall cease, and the Secretary shall, subject to the cash adjustment provided herein, issue to the mortgagee debentures having a total face value² equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date. Debentures issued pursuant to this paragraph shall be issued in the same manner and subject to the same terms and conditions as debentures issued under paragraph (1) of this subsection, except that the debentures issued

² Section 516(d) of the Housing and Community Development Act of 1992, Pub. L. 102-550, provides as follows:

"(d) HOUSING FOR MODERATE INCOME AND DISPLACED FAMILIES.—The second sentence of section 221(g)(4)(A) of the National Housing Act (12 U.S.C. 1715(g)(4)(A)) is amended by striking “, subject to the cash adjustment provided herein, issue to the mortgagee debentures having total face value” and inserting the following: “issue to the mortgagee debentures having a par value”.

The amendment could not be executed because the text proposed to be struck does not appear in this subparagraph.

pursuant to this paragraph shall be dated as of the date the mortgage is assigned to the Secretary, shall mature ten years after such date, and shall bear interest from such date at the going Federal rate determined at the time of issuance. The term "going Federal rate" as used herein means the annual rate of interest which the Secretary of the Treasury shall specify as applicable to the six-month period (consisting of January through June or July through December) which includes the issuance date of such debentures, which applicable rate for each six-month period shall be determined by the Secretary of the Treasury by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such six-month period, on all outstanding marketable obligations of the United States having a maturity date of eight to twelve years from the first day of such month of May or November (or, if no such obligations are outstanding, the obligation next shorter than eight years and the obligation next longer than twelve years, respectively, shall be used), and by adjusting such estimated average annual yield to the nearest one-eighth of 1 per centum. The Secretary shall have the same authority with respect to mortgages assigned to him under this paragraph as contained in section 207(k) and section 207(l) as to mortgages insured by the Secretary and assigned to him under section 207 of this Act.

(B) In processing a claim for insurance benefits under this paragraph, the Secretary may direct the mortgagee to assign, transfer, and deliver the original credit instrument and the mortgage securing it directly to the Government National Mortgage Association in lieu of assigning, transferring, and delivering the credit instrument and the mortgage to the Secretary. Upon the assignment, transfer, and delivery of the credit instrument and the mortgage to the Association, the mortgage insurance contract shall terminate and the mortgagee shall receive insurance benefits as provided in subparagraph (A). The Association is authorized to accept such loan documents in its own name and to hold, service, and sell such loans as agent for the Secretary. The mortgagor's obligation to pay a service charge in lieu of a mortgage insurance premium shall continue as long as the mortgage is held by the Association or by the Secretary. The Secretary shall have the same authority with respect to mortgages assigned to the Secretary or the Association under this subparagraph as provided by section 223(c).

(C)(i) In lieu of accepting assignment of the original credit instrument and the mortgage securing the credit instrument under subparagraph (A) in exchange for receipt of debentures, the Secretary shall arrange for the sale of the beneficial interests in the mortgage loan through an auction and sale of the (I) mortgage loans, or (II) participation certificates, or other mortgage-backed obligations in a form acceptable to the Secretary (in this subparagraph referred to as "participation certificates"). The Secretary shall arrange the auction and sale at a price, to be paid to the mortgagee, of par plus accrued inter-

est to the date of sale. The sale price shall also include the right to a subsidy payment described in clause (iii).

(ii)(I) The Secretary shall conduct a public auction to determine the lowest interest rate necessary to accomplish a sale of the beneficial interests in the original credit instrument and mortgage securing the credit instrument.

(II) A mortgagee who elects to assign a mortgage shall provide the Secretary and persons bidding at the auction a description of the characteristics of the original credit instrument and mortgage securing the original credit instrument, which shall include the principal mortgage balance, original stated interest rate, service fees, real estate and tenant characteristics, the level and duration of applicable Federal subsidies, and any other information determined by the Secretary to be appropriate. The Secretary shall also provide information regarding the status of the property with respect to the provisions of the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act with respect to eligibility to prepay the mortgage, a statement of whether the owner has filed a notice of intent to prepay or a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, and the details with respect to incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act in lieu of exercising prepayment rights.

(III) The Secretary shall, upon receipt of the information in subclause (II), promptly advertise for an auction and publish such mortgage descriptions in advance of the auction. The Secretary may conduct the auction at any time during the 6-month period beginning upon receipt of the information in subclause (II) but under no circumstances may the Secretary conduct an auction before 2 months after receiving the mortgagee's written notice of intent to assign its mortgage to the Secretary.

(IV) In any auction under this subparagraph, the Secretary shall accept the lowest interest rate bid for purchase that the Secretary determines to be acceptable. The Secretary shall cause the accepted bid to be published in the Federal Register. Settlement for the sale of the credit instrument and the mortgage securing the credit instrument shall occur not later than 30 business days after the date winning bidders are selected in the auction, unless the Secretary determines that extraordinary circumstances require an extension (not to exceed 60 days) of the period.

(V) If no bids are received, the bids that are received are not acceptable to the Secretary, or settlement does not occur within the period under subclause (IV), the mortgagee shall retain all rights (including the right to interest, at a rate to be determined by the Secretary, for the period covering any actions taken under this subparagraph) under this section to assign the mortgage loan to the Secretary.

(iii) As part of the auction process, the Secretary shall agree to provide a monthly interest subsidy payment from the General Insurance Fund to the purchaser under the auction of the original credit instrument or the mortgage securing the

credit instrument (and any subsequent holders or assigns who are approved mortgagees). The subsidy payment shall be paid on the first day of each month in an amount equal to the difference between the stated interest due on the mortgage loan and the lowest interest rate necessary to accomplish a sale of the mortgage loan or participation certificates (less the servicing fee, if appropriate) for the then unpaid principal balance plus accrued interest at a rate determined by the Secretary. Each interest subsidy payment shall be treated by the holder of the mortgage as interest paid on the mortgage. The interest subsidy payment shall be provided until the earlier of—

(I) the maturity date of the loan;

(II) prepayment of the mortgage loan in accordance with the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, where applicable; or

(III) default and full payment of insurance benefits on the mortgage loan by the Federal Housing Administration.

(iv) The Secretary shall require that the mortgage loans or participation certificates presented for assignment are auctioned as whole loans with servicing rights released and also are auctioned with servicing rights retained by the current servicer.

(v) To the extent practicable, the Secretary shall encourage State housing finance agencies, nonprofit organizations, and organizations representing the tenants of the property securing the mortgage, or a qualified mortgagee participating in a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act to participate in the auction.

(vi) The Secretary shall implement the requirements imposed by this subparagraph within 30 days from the date of enactment of this subparagraph¹ and not be subject to the requirement of prior issuance of regulations in the Federal Register. The Secretary shall issue regulations implementing this section within 6 months of the enactment of this subparagraph.¹

(vii) Nothing in this subparagraph shall diminish or impair the low income use restrictions applicable to the project under the original regulatory agreement or the revised agreement entered into pursuant to the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, if any, or other agreements for the provision of Federal assistance to the housing or its tenants.

(viii) This subparagraph shall not apply after December 31, 2002, except that this subparagraph shall continue to apply if the Secretary receives a mortgagee's written notice of intent to assign its mortgage to the Secretary on or before such date. Not later than January 31 of each year (beginning in 1992), the Secretary shall submit to the Congress a report including statements of the number of mortgages auctioned and sold and their value, the amount of subsidies committed to the program under this subparagraph, the ability of the Secretary to coordi-

nate the program with the incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, and the costs and benefits derived from the program for the Federal Government.

(ix)¹ The authority of the Secretary to conduct multifamily auctions under this paragraph shall be effective for any fiscal year only to the extent and in such amounts as are approved in appropriations Acts for the costs of loan guarantees (as defined in section 502 of the Congressional Budget Act of 1974), including the cost of modifying loans.

(h)(1) In addition to mortgages insured under the provisions of this section, the Secretary is authorized, upon application by the mortgagee, to insure under this subsection as hereinafter provided any mortgage (including advances under such mortgage during rehabilitation) which is executed by a nonprofit organization to finance the purchase and rehabilitation of deteriorating or substandard housing for subsequent resale to low-income home purchasers and, upon such terms and conditions as the Secretary may prescribe, to make commitments for the insurance of such mortgages prior to the date of their execution or disbursement thereon.

(2) To be eligible for insurance under paragraph (1) of this subsection, a mortgage shall—

(A) be executed by a private nonprofit corporation or association, approved by the Secretary, for financing the purchase and rehabilitation (with the intention of subsequent resale) of property comprising one or more tracts or parcels, whether or not contiguous, upon which there is located deteriorating or substandard housing consisting of (i) four or more single-family dwellings of detached, semidetached, or row construction, or (ii) four or more one-family units in a structure or structures for which a plan of family unit ownership approved by the Secretary is established;

(B) be secured by the property which is to be purchased and rehabilitated with the proceeds thereof;

(C) be in a principal amount not exceeding the appraised value of the property at the time of its purchase under the mortgage plus the estimated cost of the rehabilitation;

(D) bear interest (exclusive of premium charged for insurance and service charge, if any) at the rate in effect under the proviso in subsection (d)(5) at the time of execution;

(E) provide for complete amortization (subject to paragraph (5)(E)) by periodic payments within such term as the Secretary may prescribe; and

(F) provide for the release of individual single-family dwellings from the lien of the mortgage upon the sale of the rehabilitated dwellings in accordance with paragraph (5).

(3) No mortgage shall be insured under paragraph (1) unless the mortgagor shall have demonstrated to the satisfaction of the Secretary that (A) the property to be rehabilitated is located in a neighborhood which is sufficiently stable and contains sufficient public facilities and amenities to support long-term values, or (B) the rehabilitation to be carried out by the mortgagor plus its re-

lated activities and the activities of other owners of housing in the neighborhood, together with actions to be taken by public authorities, will be of such scope and quality as to give reasonable promise that a stable environment will be created in the neighborhood.

(4) The aggregate principal balance of all mortgages insured under paragraph (1) and outstanding at any one time shall not exceed \$50,000,000.

(5)(A)¹ No mortgage shall be insured under paragraph (1) unless the mortgagor enters into an agreement (in form and substance satisfactory to the Secretary) that it will offer to sell the dwellings involved, upon completion of their rehabilitation, to individuals or families (hereinafter referred to as "low-income purchasers") determined by the Secretary to have incomes below the maximum amount specified (with respect to the area involved) in section 101(c)(1) of the Housing and Urban Development Act of 1965.

(B) The Secretary is authorized to insure under this paragraph mortgages executed to finance the sale of individual dwellings to low-income purchasers as provided in subparagraph (A). Any such mortgage shall—

(i) be in a principal amount equal to that portion of the unpaid balance of the principal mortgage covering the property (insured under paragraph (1)) which is allocable to the individual dwelling involved; and

(ii) bear interest at the same rate as the principal mortgage or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the purchaser's income is sufficiently low to justify the lower rate, and provide for complete amortization within a term equal to the remaining term (determined without regard to subparagraph (E) of such principal mortgage: *Provided*, That if the rate of interest initially prescribed is less than the rate borne by the principal mortgage and the purchaser's income (as determined on the basis of periodic review) subsequently rises, the rate of interest so prescribed shall be increased (but not above the rate borne by such principal mortgage), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide.

(C) The price for which any individual dwelling is sold to a low-income purchaser under this paragraph shall be the amount of the mortgage covering the sale as determined under subparagraph (B), except that the purchaser shall in addition thereto be required to pay on account of the property at the time of purchase such amount (which shall not be less than \$200, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate in the circumstances.

(D) Upon the sale under this paragraph of any individual dwelling, such dwelling shall be released from the lien of the principal mortgage, and such mortgage shall thereupon be replaced by

¹Section 101(c)(4) of the Housing and Urban Development Act of 1968, Pub. L. 90-448, approved August 1, 1968, provides as follows:

"(4) The purchase of any individual dwelling, sold by a nonprofit organization pursuant to the provisions of section 221(h)(5) of the National Housing Act after the date of enactment of this section, may be financed with a mortgage insured under the provisions of section 235(j)(4) of such Act, but such mortgage shall bear interest at the rate provided in section 235(j)(2)(C) of such Act."

an individual mortgage insured under this paragraph to the extent of the portion of its unpaid balance which is allocable to the dwelling covered by such individual mortgage. Until all of the individual dwellings in the property covered by the principal mortgage have been sold, the mortgagor shall hold and operate the dwellings remaining unsold at any given time as though they constituted rental units in a project covered by a mortgage which is insured under subsection (d)(3) (and which receives the benefits of the interest rate provided for in the proviso in subsection (d)(5)).

(E) Upon the sale under this paragraph of all of the individual dwellings in the property covered by the principal mortgage, and the release of all individual dwellings from the lien of the principal mortgage, the insurance of the principal mortgage shall be terminated and no adjusted premium charge shall be charged by the Secretary upon such termination.

(F) Any mortgage insured under this paragraph shall contain a provision that if the low-income mortgagor does not continue to occupy the property the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time of commitment for insurance of the principal mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) the nonprofit organization which executed the principal mortgage (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(6) In addition to the mortgages that may be insured under paragraphs (1) and (5), the Secretary is authorized to insure under this subsection at any time within one year after the date of the enactment of this paragraph, upon such terms and conditions as he may prescribe, mortgages which are executed by individuals or families that meet the income criteria prescribed in paragraph (5)(A) and are executed for the purpose of financing the rehabilitation or improvement of single-family dwellings of detached, semidetached, or row construction that are owned in each instance by a mortgagor who has purchased the dwelling from a nonprofit organization of the type described in this subsection. To be eligible for such insurance, a mortgage shall—

(A) be in principal amount not exceeding the lesser of \$18,000 or the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation, except that in no case involving refinancing shall such mortgage exceed such estimated cost of repair and rehabilitation and the amount (as determined by the Secretary) required to refinance existing indebtedness secured by the property;

(B) bear interest (exclusive of premium charges for insurance and service charge, if any) at 3 per centum per annum or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the mortgagor's income is sufficiently low to justify the lower rate: *Provided*, That, if the rate of interest initially prescribed is less than 3 per centum per annum and the mortgagor's income (as determined on the basis of periodic review) subsequently rises, the rate shall be

increased (but not above 3 per centum), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide;

(C) involve a mortgagor that shall have paid on account of the property at the time of the rehabilitation such amount (which shall not be less than \$200 in cash or its equivalent, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate under the circumstances; and

(D) contain a provision that, if the low-income mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for insurance of the mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit organization which has been engaged in purchasing and rehabilitating deteriorating and substandard housing with financing under a mortgage insured under paragraph (1) of this subsection, (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(7) Where the Secretary approved a plan of family unit ownership, the terms "single-family dwelling," "single-family dwellings," "individual dwelling," and "individual dwellings" shall mean a family unit or family units, together with the undivided interest (or interests) in the common areas and facilities.

(8) For purposes of this subsection, the terms "single-family dwelling" and "single-family dwellings" (except for purposes of paragraph (7)) shall include a two-family dwelling which has been approved by the Secretary.

(i)(1) The Secretary is authorized, with respect to any project involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a plan of family unit ownership. Under such plan, each family unit shall be eligible for individual ownership and provision shall be included for the sale of the family units, together with an undivided interest in the common areas and facilities which serve the project, to low or moderate income purchasers. The Secretary shall obtain such agreements as he determines to be necessary to assure continued maintenance of the common areas and facilities. Upon such sale, the family unit and the undivided interest in the common areas shall be released from the lien of the project mortgage.

(2)(A) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection mortgages financing the purchase of individual family units under the plan prescribed in paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i) be executed by a mortgagor having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5);

(ii) involve a principal obligation (including such initial service charges, and such appraisal, inspection, and other fees, as the Secretary shall approve) in an amount not to exceed the Secretary's estimate of the appraised value of the family unit, including the mortgagor's interest in the common areas and facilities, as of the date the mortgage is accepted for insurance;

(iii) bear interest at a rate determined by the Secretary (which may vary in accordance with the regulations of the Secretary promulgated pursuant to the last sentence of paragraph (4) of this subsection) but not less than the below-market rate in effect under the proviso of subsection (d)(5) at the date of the commitment for insurance; and

(iv) provide for complete amortization by periodic payments within such terms as the Secretary may prescribe, but not to exceed forty years from the beginning of amortization of the mortgage.

(B) The price for which the individual family unit is sold to the low or moderate income purchaser shall not exceed the appraised value of the property, as determined under subparagraph (A)(ii), except that the purchaser shall be required to pay on account of the property at the time of purchase at least such amount, in cash or its equivalent (which shall be not less than 3 per centum of such price, but which may be applied in whole or in part toward closing costs), as the Secretary may determine to be reasonable and appropriate.

(3) Upon the sale of all of the family units covered by the project mortgage, and the release of all of the family units (including the undivided interest allocable to each unit in the common areas and facilities) from the lien of the project mortgage, the insurance of the project mortgage shall be terminated and no adjusted premium charge shall be collected by the Secretary upon such termination.

(4) Any mortgage covering an individual family unit insured under this subsection shall contain a provision that, if the original mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for the insurance of the project mortgage; except that the requirement for an increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit purchaser approved by the Secretary, or (ii) a low- or moderate-income purchaser who has an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5). The mortgage shall also contain a provision that, if the Secretary determines that the annual income of the original mortgagor (or a purchaser described in clause (ii) of the preceding sentence) has increased to an amount enabling payment of a greater rate of interest, the interest rate of the individual mortgage may be increased

up to the highest rate permissible under the regulations of the Secretary for mortgages insured under this section, effective at the time the commitment was issued for the insurance of the mortgage.

(5) For the purpose of this subsection—

(i) the term “mortgage”, when used in relation to a mortgage insured under paragraph (2) of this subsection, includes a first mortgage given to secure the unpaid purchase price of a fee interest in, or a long-term leasehold interest in a one-family unit in a multifamily project and an undivided interest in the common areas and facilities which serve the project; and

(ii) the term “common areas and facilities” includes the land and such commercial, community, and other facilities as are approved by the Secretary.

(j)(1) The Secretary is authorized, with respect to any rental project, involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a cooperative approved by the Secretary. Membership in such cooperative shall be made available only to those families having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at such below-market rate: *Provided*, That families residing in the rental project at the time of its conversion to a cooperative who do not meet such income limits may be permitted to become members in the cooperative under such special terms and conditions as the Secretary may prescribe.

(2) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection cooperative mortgages financing the purchase of projects meeting the requirements of paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i)¹ involve a principal obligation (including such initial service charges and appraisal, inspection, and other fees as the Secretary shall approve) in an amount not exceeding the appraised value of the property for continued use as a cooperative, which value shall be based upon a mortgage amount on which the debt service can be met from the income of the property when operated on a nonprofit basis, after the payment of all operating expenses, taxes, and required reserves;

(ii)² bear interest at the below-market rate prescribed in the proviso of subsection (d)(5); and

(iii)³ provide for complete amortization within such terms as the Secretary may prescribe.

(k) With respect to any project insured under subsection (d)(3) or (d)(4), the Secretary may further increase the dollar amount limitations which would otherwise apply for the purpose of those subsections by up to 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation

(1)(1) Notwithstanding any other provision of law, tenants residing in eligible multifamily housing whose incomes exceed 80 percent of area median income shall pay as rent not more than the lower of the following amounts: (A) 30 percent of the family's adjusted monthly income; or (B) the relevant fair market rental established under section 8(b) of the United States Housing Act of 1937 for the jurisdiction in which the housing is located. An owner shall phase in any increase in rents for current tenants resulting from this subsection.

(2) For purposes of this subsection, the term "eligible multifamily housing" means any housing financed by a loan or mortgage that is (A) insured or held by the Secretary under subsection (d)(3) and assisted under section 101 of the Housing and Urban Development Act of 1965 or section 8 of the United States Housing Act 1937; or (B) insured or held by the Secretary and bears interest at a rate determined under the proviso of subsection (d)(5).
