Certify Auction Application

By clicking the "Submit" button below, I certify the following:

- (1) This application discloses all real parties in interest to any agreements involving the applicant's participation in this competitive bidding.
- (2) The Applicant, each party capable of controlling the Applicant, and each party that may be controlled by the Applicant or by a party capable of controlling the Applicant will comply with Section 3.21002 of Title 47 of the Code of Federal Regulations.
- (3) The Applicant is financially and technically capable of providing service in each area for which it seeks support.
- (4) The Applicant understands that it must provide funds for all project costs that exceed the amount to be received from the Connect America Fund.
- (5) The Applicant will offer voice and broadband service in supported areas at rates that are reasonably comparable to rates for similar service plans offered in urban areas.
- (6) The Applicant either (a) has been designated as an Eligible Telecommunications Carrier pursuant to Section 214(e) of Title 47 of the United States Code (47 USC 214(e)) in areas for which it will seek support OR (b) will obtain designation as an Eligible Telecommunications Carrier pursuant to Section 214(e) of Title 47 of the United States Code (47 USC 214(e)) in areas for which it will seek support.
- (7) The Applicant and any party to this application are not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.
- (8) The Applicant shall meet the threshold service requirements for each category of bid that the Applicant submits, i.e. service of at least 25 Mbps downstream/5 Mbps upstream, with reasonably comparable usage and pricing available and latency no greater than 100 ms for category one bids; service of at least 10 Mbps downstream/1 Mbps upstream with reasonably comparable pricing available, 100 GB usage allowance and latency no greater than 100 ms for category two bids; and service of at least 10 Mbps downstream/1 Mbps upstream with reasonably comparable pricing available, 100 GB of usage and latency no greater than 100 ms (or a Near Opinion Score of four or greater for satellite providers) in extremely high-cost census blocks for category three bids.

By clicking the "Submit" button below, I, the Individual Identified as the Applicant's certifying representative below, declare under penalties of perjury that, based on all the information available to the Applicant, all the information provided in or with this application, including the certification statements above, are true and correct.
