b. Supervised Work and Clinical Experience for 10 CFR 35.490 (If more than one supervising individual is necessary to document supervised work experience, provide multiple copies of this page.)

Supervised Work Experience		Total Hours of Experience:		
Description of Experience Must Include:	Location of Experience/ Permit Number of F		Confirm	Dates of Experience*
Ordering, receiving, and unpacking radioactive materials safely and performing the related radiation surveys			Yes	
Checking survey meters for proper operation			Yes	
Preparing, implanting, and safely removing brachytherapy sources			Yes	
Maintaining running inventories of material on hand			Yes	
Using administrative controls to prevent a medical event involving the use of byproduct material			Yes	
Using emergency procedures to control byproduct material			Yes	

Clinical experience in radiation oncology as part of an approved formal training program	Location of Experience/License or Permit Number of Facility	Dates of Experience*	
Approved by:			
Residency Review Committee for Radiation Oncology of the ACGME			
Royal College of Physicians and Surgeons of Canada			
Committee on Postdoctoral Training of the American Osteopathic Association

e. For 35.600, describe training provider and dates of training for each type of use for which authorization is sought.

Description of Training	Training Provider and Dates			
	Remote Afterloader	Teletherapy	Gamma Stereotactic Radiosurgery	
Device operation				
Safety procedures for the device use				
Clinical use of the device				
Supervising Individual. If training provided by Supervising Individual (If more than one supervising individual is necessary to document supervised work experience, provide multiple copies of this page.)				
Authorized for the following types of use: Remote afterloader unit(s) Teletherapy unit(s) Gamma stereotactic radiosurgery unit(s)				
Authorized for the following types of use:				

NRC FORM 313A (AUS)	U.S. NUCLEAR REGULATORY COMMISSION			
	RAINING AND EXPERIENCE AND PRECEPTOR ATTESTATION (continued)			
	PART II – PRECEPTOR ATTESTATION			
individual as long as the	This part must be completed by the individual's preceptor. The preceptor does not have to be the supervising individual as long as the preceptor provides, directs, or verifies training and experience required. If more than one preceptor is necessary to document experience, obtain a separate preceptor statement from each.			
	elow, the preceptor is attesting that the individual has knowledge to fulfill the duties of the ttesting to the individual's "general clinical competency."			
First Section Check one of the following for a	each requested authorization:			
<u>For 35.490:</u>				
Board Certification				
I attest that	has satisfactorily completed the requirements in			
	achieved a level of competency sufficient to function independently as an nual brachytherapy sources for the medical uses authorized under 10 CFR 35.400.			
	OR			
Training and Experience				
I attest that	has satisfactorily completed the 200 hours of			
	ame of Proposed Authorized User			
classroom and laboratory training, 500 hours of supervised work experience, and 3 years of supervised clinical experience in radiation oncology, as required by 10 CFR 35.490(b)(1) and (b)(2), and has achieved a level of competency sufficient to function independently as an authorized user of manual brachytherapy sources for the medical uses authorized under 10 CFR 35.400.				
<u>For 35.491:</u>				
I attest that	has satisfactorily completed the 24 hours of			
	ame of Proposed Authorized User			
classroom and laboratory training applicable to the medical use of strontium-90 for ophthalmic radiotherapy, has used strontium-90 for ophthalmic treatment of 5 individuals, as required by 10 CFR 35.491(b), and has achieved a level of competency sufficient to function independently as an authorized user of strontium-90 for ophthalmic use.				
Second Section				
For 35.690:				
Board Certification				
I attest that	has satisfactorily completed the requirements in			
N	ame of Proposed Authorized User			
35.690(a)(1).				
OR Training and Experience				
I attest that	has satisfactorily completed 200 hours of classroom			
Name of Proposed Authorized User and laboratory training, 500 hours of supervised work experience, and 3 years of supervised clinical experience in radiation therapy, as required by 10 CFR 35.690(b)(1) and (b)(2).
