

## Invitation

Dear %Q26\_2% %Q26\_3%,

National Women's Business Council (NWBC) invites you to participate in an online survey regarding your experiences as a graduate of an incubator or an accelerator program. The NWBC is a non-partisan federal advisory council created to serve as an independent source of advice and counsel to the President, Congress, and the U.S. Small Business Administration on economic issues of importance to women business owners. NWBC contracted with the research firms Washington CORE and EurekaFacts to conduct this survey.

The results of the survey will help NWBC better understand needs and perception of women entrepreneurs who participated in incubator or accelerator programs and the context in which the NWBC can better provide you with relevant programs and resources.

The survey will take approximately 20 minutes to complete. All the information you provide is strictly confidential and will be used for research purposes only. No individual responses will be shared with NWBC or the Small Business Administration. All findings will be presented as an aggregate across many respondents. Your participation in this survey is voluntary and a reply is not required.
