

§ 120.522

uncured payment default, or the rate in effect at the time of purchase (where no default has occurred).

§ 120.522 Payment of accrued interest to the Lender or Registered Holder when SBA purchases the guaranteed portion.

(a) *Rate of interest.* If SBA purchases the guaranteed portion from a Lender or from a Registered Holder (if sold in the Secondary Market), it will pay accrued interest at:

(1) The rate in the note if it is a fixed rate loan; or

(2) The rate in effect on the date of the earliest uncured payment default, or of SBA's purchase (if there has been no default).

(b) *Payment to Lender*—(1) *For loans approved on or after May 14, 2007.* SBA will pay up to a maximum of 120 days interest to a Lender at the time of guarantee purchase.

(2) *For loans approved before May 14, 2007.* The regulations applicable to the amount of interest that SBA will pay to a Lender upon loan default that were in effect immediately prior to this date will govern such loans.

(c) *Payment to Registered Holder.* SBA will pay a Registered Holder all accrued interest up to the date of payment.

§ 120.523 What is the "earliest uncured payment default"?

The earliest uncured payment default is the date of the earliest failure by a Borrower to pay a regular installment of principal and/or interest when due. Payments made by the Borrower before a Lender makes its request to SBA to purchase are applied to the earliest uncured payment default. If the installment is paid in full, the earliest uncured payment default date will advance to the next unpaid installment date. If a Borrower makes any payment after the Lender makes its request to SBA to purchase, the earliest uncured payment default date does not change because the Lender has already exercised its right to request purchase.

13 CFR Ch. I (1-1-11 Edition)

§ 120.524 When is SBA released from liability on its guarantee?

(a) SBA is released from liability on a loan guarantee (in whole or in part, within SBA's exclusive discretion), if any of the events below occur:

(1) The Lender has failed to comply materially with any Loan Program Requirement for 7(a) loans.

(2) The Lender has failed to make, close, service, or liquidate a loan in a prudent manner;

(3) The Lender's improper action or inaction has placed SBA at risk;

(4) The Lender has failed to disclose a material fact to SBA regarding a guaranteed loan in a timely manner;

(5) The Lender has misrepresented a material fact to SBA regarding a guaranteed loan;

(6) SBA has received a written request from the Lender to terminate the guarantee;

(7) The Lender has not paid the guarantee fee within the period required under SBA rules and regulations;

(8) The Lender has failed to request that SBA purchase a guarantee within 180 days after maturity of the loan. However, if the Lender is conducting liquidation or debt collection litigation in connection with a loan that has matured, SBA will be released from its guarantee only if the Lender fails to request that SBA purchase the guarantee within 180 days after the completion of the liquidation or debt collection litigation;

(9) The Lender has failed to use required SBA forms or exact electronic copies; or

(10) The Borrower has paid the loan in full.

(b) If SBA determines, at any time, that any of the events set forth in paragraph (a) of this section occurred in connection with that loan, SBA is entitled to recover any moneys paid on the guarantee plus interest from the Lender responsible for those events.

(c) If the Lender's loan documentation or other information indicates that one or more of the events in paragraph (a) of this section occurred, SBA may undertake such investigation as it deems necessary to determine whether to honor or deny the guarantee, and may withhold a decision on whether to

honor the guarantee until the completion of such investigation.

(d) Any information provided to SBA by a Lender or other party will not prejudice, or be construed as effecting any waiver of, SBA's right to deny liability for a guarantee if one or more of the events listed in paragraph (a) of this section occur.

(e) Unless SBA provides written notice to the contrary, the Lender remains responsible for all loan servicing and liquidation actions until SBA honors its guarantee in full.

§ 120.530 Deferment of payment.

SBA may agree to defer payments on a business loan for a stated period of time, and use such other methods as it considers necessary and appropriate to help in the successful operation of the Borrower. This policy applies to all business loan programs, including 504 loans.

§ 120.531 Extension of maturity.

SBA may agree to extend the maturity of a loan for up to 10 years beyond its original maturity if the extension will aid in the orderly repayment of the loan.

§ 120.532 What is a loan Moratorium?

SBA may assume a Borrower's obligation to repay principal and interest on a loan by agreeing to make the payments to the Lender on behalf of the Borrower under terms and conditions set by SBA. This relief is called a "Moratorium." Complete information concerning this program may be obtained from local SBA offices.

§ 120.535 Standards for Lender and CDC loan servicing, loan liquidation and debt collection litigation.

(a) *Service using prudent lending standards.* Lenders and CDCs must service 7(a) and 504 loans in their portfolio no less diligently than their non-SBA portfolio, and in a commercially reasonable manner, consistent with prudent lending standards, and in accordance with Loan Program Requirements. Those Lenders and CDCs that do not maintain a non-SBA loan portfolio must adhere to the same prudent

lending standards for loan servicing followed by commercial lenders on loans without a government guarantee.

(b) *Liquidate using prudent lending standards.* Lenders and Authorized CDC Liquidators must liquidate and conduct debt collection litigation for 7(a) and 504 loans in their portfolio no less diligently than for their non-SBA portfolio, and in a prompt, cost-effective and commercially reasonable manner, consistent with prudent lending standards, and in accordance with Loan Program Requirements and with any SBA approval of either a liquidation or litigation plan or any amendment of such a plan. Lenders and CDCs that do not maintain a non-SBA loan portfolio must adhere to the same prudent lending standards followed by commercial lenders that liquidate loans without a government guarantee. They are also to operate in accordance with Loan Program Requirements and with any SBA approval of either a liquidation or litigation plan or any amendment of such a plan.

(c) *Absence of actual or apparent conflict of interest.* A CDC must not take any action in the liquidation or debt collection litigation of a 504 loan that would result in an actual or apparent conflict of interest between the CDC (or any employee of the CDC) and any Third Party Lender, associate of a Third Party Lender, or any person participating in a liquidation, foreclosure or loss mitigation action.

(d) *SBA rights to take over servicing or liquidation.* SBA may, in its sole discretion, undertake the servicing, liquidation and/or litigation of any 7(a) or 504 loan. If SBA elects to service, liquidate and/or litigate a loan, it will notify the relevant Lender or CDC in writing, and, upon receiving such notice, the Lender or CDC must assign the Loan Instruments to SBA and provide any needed assistance to allow SBA to service, liquidate and/or litigate the loan. SBA will notify the Borrower of the change in servicing. SBA may use contractors to perform these actions.
