Dear [FIRST NAME] [LAST NAME]:

Thank you for your assistance with pretesting selected data collection materials to be used in the Third National Survey of WIC Participants (NSWP-III). Your contribution has been critical to the success of the study and will help ensure that the data collection materials are clear and accurate, and that the data obtained for the study will be of high quality.

We expect the study to begin in late 2017 (the exact date depends on study approval from the Office of Management and Budget). You may receive additional communication from the study contractors at that time.

Thank you again for your time.

Sincerely,
