

Welcome!

Form Approved

OMB Control No.: 0920-1071

Expiration date: 06/30/2018

Welcome! Thank you for your interest in helping the Centers for Disease Control and Prevention (CDC) evaluate and improve the Electronic Disease Notification (EDN) system. Your feedback is extremely important. We are assessing EDN to see how well it works for refugee clinics across the country and what we can do to improve the system. This survey is for clinical and nonclinical staff and is intended primarily for providers who see refugees.

Your participation is voluntary, and there is no penalty if you choose not to participate. All responses to questions will be kept in a secure manner. No personal identifiers will be recorded, and an aggregated report will be available upon request. We anticipate the survey will take about 15 minutes to complete.

If you have questions and/or comments about this survey, please contact OSamson@cdc.gov or 404-718-5632.

If you have any questions about EDN, please contact the Migration Health Information Nexus at MHINx@cdc.gov.

The MHINx unit is within the Immigrant, Refugee, and Migrant Health Branch of DGMQ at CDC and coordinates efforts within CDC to oversee the quality of the data provided by overseas panel physicians to the EDN health partners. CDC and its federal partners are working closely to improve the timeliness and completeness of the overseas medical information that is critical for your work and care of newly arrived persons.

By clicking Next, you are providing your voluntary consent to participate in this assessment. To proceed through the survey, select your answer for each question, and then click Next.

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA 0920-1071

EDN Vaccination Documentation

The following questions focus on how the information in EDN currently influences your decisions on refugee vaccinations in your clinic.

1. Before or during a refugee's first visit for vaccines, how often do **you** have access to his or her DS-3025 Vaccination Documentation Worksheet in EDN?

- Always
- Very Often
- Sometimes
- Rarely
- Never

2. What prevents you from accessing the DS-3025 in EDN?

3. For each of the following options for accessing the Vaccination Documentation Worksheet, please indicate how often you refer to each (see examples below):

4. How much do you agree with the following statement?

I trust the vaccination documentation available for refugees in the EDN web form.

- Strongly Agree
- Agree
- Neither agree or disagree
- Disagree
- Strongly Disagree

5. Do you rely on the vaccination information in the EDN web form, either directly on your computer or printed from EDN, to make clinical decisions?

- Yes
- No

6. Please explain how the vaccination information in the EDN web form impacts your clinical decisions:

EDN Vaccination Documentation continued

The following questions will be asked for refugee children (<19 years of age) and adults separately. If you provide care for only adults or children, please leave the other section blank.

Refugee Children

1. Does the vaccination information in the EDN web form determine which vaccines you administer to refugee **children**?

- Yes
- No
- N/A

2. If yes, please select the vaccines that apply:

- MMR
- DTP/DTap
- Hep B
- Hib
- Polio
- PCV
- Rotavirus
- Td
- Other (please specify)

3. If EDN included the results of Hepatitis B surface antigen screening, a component of the overseas vaccination program, how would that impact your clinical practice for refugee **children**?

Learning More About EDN Vaccination Documentation

1. How often do you access the CDC Immigrant Refugee Migrant Health Branch (IRMHB) website at <https://www.cdc.gov/immigrantrefugeehealth/index.html> to learn more about EDN?

- Always
- Very often
- Sometimes
- Rarely
- Never

2. How often do you access the IRMHB website to learn more about vaccination information that is included in EDN such as the overseas vaccination schedule that is provided for some refugees during the overseas medical exam process?

(<https://www.cdc.gov/immigrantrefugeehealth/guidelines/overseas/interventions/immunizations-schedules.html>)

- Always
- Very often
- Sometimes
- Rarely
- Never

3. Has the information on the IRMHB website communicated to you that the Vaccination Documentation Worksheet in EDN is an up to date source of information on a refugee's vaccination history?

(<https://www.cdc.gov/immigrantrefugeehealth/guidelines/domestic-refugee-questions.html>)

- Yes
- No
- N/A

EDN Use

* 1. Which of the following best describes your EDN use?

- I use EDN for clinical purposes
- I use EDN for surveillance, program evaluation, or public health assessment purposes
- I use EDN for **BOTH** clinical and other purposes
- I have not used EDN

Using EDN

The following questions will focus on your current use of EDN and access to EDN records.

1. How often do you use EDN?

- Daily
- Weekly
- Monthly
- A few times a year
- Yearly
- Less than once per year
- Never

2. Which internet browsers (if any) have you used to open the EDN portal on your computer?

- Google Chrome
- Safari
- Firefox
- Internet Explorer
- Other (please specify)

3. Of the internet browsers you have used, which (if any) havenot been able to open the EDN portal?

- Google Chrome
- Safari
- Firefox
- Internet Explorer
- No problems with browsers
- Other (please specify)

4. In general, what is your experience with EDN load times?

- EDN usually loads quickly enough (even if quicker still would be better)
- EDN is usually pretty slow but that doesn't stop me from using it (it is a minor annoyance)
- I have sometimes given up on waiting for something to load (it is a major annoyance)
- I avoid using EDN at all costs because load times are so slow (it is broken)

5. How often do you typically use the following functions in EDN? (Please see screenshots from EDN panel below)

EDN User Approval

This question will focus on the process of getting credentials to access EDN.

1. Did you have difficulty becoming an authorized EDN User? Please select where you had difficulty (Choose all that apply):

- Registering for SAMS (Secure Access Management Services)
- Completing EDN User Agreement
- Completing EDN Rules of Behavior
- Obtaining approval signatures from Refugee Health Coordinator or State TB Coordinator
- None
- Can't remember
- Other (please specify)

EDN Support

The following questions will focus on technical support for using EDN.

1. Please select which of the following you use or would consider using in the future for support if you have a problem with EDN.
