

Attachment E. Pre-shipment Email

Date:

TPEP#:

Dear Participant:

The November shipments of cultures of *Mycobacterium tuberculosis* Complex (MTBC) will be shipped from CDC on (Dates).

The shipment to your laboratory will consist of five isolates of MTBC. Some institutions require delivery of all incoming mycobacteria cultures to a mailroom or central receiving area. If this is the policy in your institution, please arrange for timely delivery of the cultures to your laboratory.

Changes to your laboratory's mailing address or point of contact as shown below should be sent to TBMPEP@CDC.GOV by (Date) COB.

Contact and Address Information:

Name

Participant Site

Address

City, State Zip Code

Phone:

Fax:

Email:

Result entry instructions will be sent with the isolate shipment. **If you misplace your letter containing this information, or have difficulty submitting results on-line please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV**

If you do not receive your cultures by noon on (Date), or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

October 12, 2012

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

October 12, 2012

TPEP#:00248

Dear Participant:

The November shipments of cultures of *Mycobacterium tuberculosis* Complex (MTBC) will be shipped from CDC on November 5 and 6th.

The shipment to your laboratory will consist of five isolates of MTBC. Some institutions require delivery of all incoming mycobacteria cultures to a mailroom or central receiving area. If this is the policy in your institution, please arrange for timely delivery of the cultures to your laboratory.

Changes to your laboratory's mailing address or point of contact as shown below should be sent to TBMPEP@CDC.GOV by **10/19/2012 COB.**

Contact and Address Information:

Peter Robinson
Quest Diagnostics Nichols Institute of Valencia
27027 Tourney Road
Valencia, CA 91355
Phone: (661) 799-6292
Fax: (661) 799-5280
Email: peter.d.robinson@questdiagnostics.com

Result entry instructions will be sent with the isolate shipment. **If you misplace your letter containing this information, or have difficulty submitting results on-line please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV**

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

October 12, 2012

TPEP#:00463

Dear Participant:

The November shipments of cultures of *Mycobacterium tuberculosis* Complex (MTBC) will be shipped from CDC on November 5 and 6th.

The shipment to your laboratory will consist of five isolates of MTBC. Some institutions require delivery of all incoming mycobacteria cultures to a mailroom or central receiving area. If this is the policy in your institution, please arrange for timely delivery of the cultures to your laboratory.

Changes to your laboratory's mailing address or point of contact as shown below should be sent to TBMPEP@CDC.GOV by **10/19/2012 COB.**

Contact and Address Information:

Dr. Tammy Bannerman
Ohio Dept of Health Laboratory
8995 E. Main St, Bldg. 22
Reynoldsburg, OH 43068
Phone: (614) 644-4596
Fax: (614)387-1505
Email: Tammy.Bannerman@odh.ohio.gov

Result entry instructions will be sent with the isolate shipment. **If you misplace your letter containing this information, or have difficulty submitting results on-line please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV**

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

We appreciate your continued interest and participation in the program.

October 12, 2012

TPEP#:30004

Dear Participant:

The November shipments of cultures of *Mycobacterium tuberculosis* Complex (MTBC) will be shipped from CDC on November 5 and 6th.

The shipment to your laboratory will consist of five isolates of MTBC. Some institutions require delivery of all incoming mycobacteria cultures to a mailroom or central receiving area. If this is the policy in your institution, please arrange for timely delivery of the cultures to your laboratory.

Changes to your laboratory's mailing address or point of contact as shown below should be sent to TBMPEP@CDC.GOV by 10/19/2012 COB.

Contact and Address Information:

Dr. A. William Pasculle
University of Pittsburgh Med Ctr
Microbiology Laboratory
200 Lothrop St RM A 807 PUH
Pittsburgh, PA 15213-2582
Phone: (412)647-3727
Fax: (412)647-3610
Email: pasculleaw@upmc.edu

Result entry instructions will be sent with the isolate shipment. **If you misplace your letter containing this information, or have difficulty submitting results on-line please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV**

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.

October 12, 2012

TPEP#:30561

Dear Participant:

The November shipments of cultures of *Mycobacterium tuberculosis* Complex (MTBC) will be shipped from CDC on November 5 and 6th.

The shipment to your laboratory will consist of five isolates of MTBC. Some institutions require delivery of all incoming mycobacteria cultures to a mailroom or central receiving area. If this is the policy in your institution, please arrange for timely delivery of the cultures to your laboratory.

Changes to your laboratory's mailing address or point of contact as shown below should be sent to TBMPEP@CDC.GOV by 10/19/2012 COB.

Contact and Address Information:

Vivian Odeh
Kaiser Regional Laboratory
Microbiology Dept.
1725 Eastshore Highway
Berkeley, CA 94710
Phone: (510)559-5417
Fax: (510) 559-5118
Email: vivian.m.odeh@kp.org

Result entry instructions will be sent with the isolate shipment. **If you misplace your letter containing this information, or have difficulty submitting results on-line please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV**

If you do not receive your cultures by noon on November 9th, or if any cultures were damaged in transit, please contact the TBMPEP Program at 404-639-4013 or TBMPEP@CDC.GOV.

We appreciate your continued interest and participation in the program.
