

Attachment 1 –

Utility and Usability Test

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892- 7974, ATTN: PRA (0925-0476). Do not return the completed form to this address.

Utility and Usability Questionnaire (UUQ)

Instructions: Thank you for taking the time to complete this questionnaire. Please select the answer that best describes your opinion about each statement. You can choose to not answer any questions by selecting the “I can’t answer” option.
