

**Attachment 3 -**

**Questionnaire Focus Group**

Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0476). Do not return the completed form to this address.

### Questionnaire Focus Group

*The focus group will use open-ended questions and discussion. Questions will include:*

What do you think of the software and its features?

How could the software be improved?

What problems do you see using the software?

What additional features would you like to have in the software?

What other thoughts about the software do you have?
