<p>5 What could be done to improve the course? (please write your response below)</p>	

Please read the statement below and select a rating on the right. You may add a comment. Comments are optional.							
		Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Comments
		5	4	3	2	1	
6	The course supports Goal #1 of the Federal Strategic Action Plan: Promote a strategic, coordinated approach to the provision of services for victims of human trafficking at the federal, regional, state, territorial, and local level.						
7	The course increased my awareness of human trafficking as a federal crime.						
8	The course increased my knowledge of the differences and commonalities between sex trafficking and labor trafficking.						
9	The course described specific barriers to identifying victims of human trafficking.						
10	The course identified vulnerable populations at risk for human trafficking.						
11	The course described key principles of a trauma-informed approach to services for trafficked persons.						
12	The course described how to provide culturally-sensitive services using the CLAS-Culturally and Linguistically Appropriate Service standards.						

13	The course provided examples of promising practices for survivor-centered services.						
		Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Comments
		5	4	3	2	1	
14	The course increased my knowledge of the service needs of human trafficking survivors.						
15	The course identified state, territorial, and local hotlines and organizations to assist with referrals to services for victims of human trafficking.						
16	The instructor conducted the course in a professional manner.						
17	The instructor's responses to questions were clear and understandable.						
18	The learning aids (e.g., PowerPoint slides, videos, case study materials) helped me to learn.						
19	The learning activities encouraged my participation.						
20	The course length was sufficient to deliver the content.						

THANK-YOU
