

Data Rescue and Preservation Workshop

September 26-28, 2017

Post Workshop survey questions

- What suggestions do you have to improve future workshops focusing on data preservation activities?

- Was the workshop duration [] too long, [] too short, [] about right?

- Which presented content did you find of high interest and usefulness for your preservation tasks?

- Which workshop topics would you like to see further discussed and presented at the bi-monthly webinars?

- Would you like to hear updates or additional information about specific projects or state geological surveys?

- How often should similar data preservation workshops be conducted? [] every year, [] 2 years, [] 3+ years, [] never?

- What do you think is the most effective way to learn about new best practices in Data Preservation?

- Do you have additional suggestions for how the NGGDPP can better serve the state geological surveys?
