Welcome to Migratory Birds/Falconry Application

Division of Migratory Birds/Falconry Application - Main Page

Paperwork Reduction Act Statement: We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) to develop a web-based software application for use by states and falconers to manage permitting and recordkeeping required by regulations found at 50 Code of Federal Regulations (CFR) 21.29 Falconry standards and falconry permitting that govern the practice of falconry in the U.S. Your response is voluntary and results will not be shared publicly. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB Control Number. OMB has reviewed and approved this survey and assigned OMB Control Number 1090-0011, which expires 08/31/2018.

Estimated Burden Statement: We estimate this collection of information to be approximately 2.5 hours to complete, including time to read instructions, gather information, and complete and submit your review of the proposed software application. You may submit comments on any aspect of this information collection to the Information Collection Clearance Officer, U.S. Fish and Wildlife Service, 5275 Leesburg Pike, MS: BPHC, Falls Church, VA 22041-3803.

OMB Control Number: 1090-0011.

Expiration Date 08/31/2018

Privacy Act Statement

Authority: The information requested is authorized by the Migratory Bird Treaty Act (16 U.S.C. 703 et seq), and Parts 13 and 21 of Title 50 of the Code of Federal Regulations.

Purpose: To collect the contact information of participants in state falconry programs. The states use a FWS application to maintain information about the falconers and their birds.

Routine Uses: The information will be used to monitor disposition of captive birds and the take of birds from the wild. More information about the routine uses may be found in the Systems of Records Notice, FWS-21 Permits System.

Disclosure: Providing the requested information is voluntary. However, submission of the requested information is required to maintain Federal permit under the MBTA. Failure to disclose the requested information may be sufficient cause for revocation of the permit. If the information indicates a violation of a statute, regulation, rule, order or license, whether civil, criminal, or regulatory in nature, the information may be transferred to the appropriate Federal, State, local or foreign agency charged with investigating or prosecuting such violations.

Division of Migratory Birds/Falconry Application - F3-186-A Query (State Falconer)

Introduction: This page is used by all registrants (Federal, State Administrators and falconers) to query **Form 3-186-A data**. **How to use:** you may fill out one or more query parameters (presented in the form of Text box) below. Some query parameters are of type data such as name... others are of type codes such as species code, age... Use look up button for codes you do not know. Use comma to separate multiple codes if any. Once done, press the **"Find"** button. The result(s), if any, will be displayed below the falcon image (List of Data records). Use your Browser vertical scroll bar to view data.
Note: for Falconers, the system will display your records only with the date being sorted in descending order.

To return to Home page, click the **"Back"** button. To exit the online application, click the **"Exit"** button.
