Landscape Conservation Cooperatives Performance Evaluation Information Collection

Purpose: The purpose of this information collection effort is to gather information related to the awareness, understanding, attitudes and experience of partners engaged in the Landscape Conservation Cooperatives (LCC) Network. This information collection will strengthen and improve the LCC Network.

The LCC Network is in the process of updating its 2014 Strategic Plan. Included in this new version of the Strategic Plan will be updated goals and objectives for the LCC Network. Additionally, this version of the Strategic Plan will include performance evaluation metrics that are directly tied to these goals and objectives. Through this information collection we will improve and strengthen the updated Strategic Plan by including performance metrics. The updated plan is to be published in late 2017/early 2018.

Intended Audience: Respondents include LCC steering committee members and other partners.

For Additional Information: If you have additional questions related to the updated of the LCC Network Strategic Plan or performance evaluation project, please contact:
