## General Instructions

U.S. Citizenship and Immigration Services (USCIS) provides forms free of charge through the USCIS Web site. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS National Customer Service Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

**Signature.** Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may also sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

**Filing Fee.** Each application must be accompanied by the appropriate filing fee and biometric services fee (if applicable). (See the **What Is the Filing Fee** section of these Instructions.)

**Biometric Services Fee.** If you file this application with USCIS, you do not need to include a biometric services fee at the time you submit your application. If you are later notified that you must submit biometrics, you will receive a biometric services appointment notice with instructions on how to submit the additional biometric services fee. If you file this application with Customs and Border Protection (CBP), please check with CBP to determine if and when you must submit a biometric services fee.

**Evidence.** At the time of filing, you must submit all evidence and supporting documentation listed in the **Specific Instructions** and **What Evidence Must You Submit** sections of these Instructions.

## Biometric Services Appointment

**1. For Applicants Filing Form I-192 with USCIS.** USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the

Federal Bureau of Investigation (FBI), before making a decision on your application, petition, or request. After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you fail to attend your biometric services appointment, USCIS may deny your application.

**2. For Applicants Filing Form I-192 with CBP.** Contact CBP to determine whether you have to attend a biometric services appointment for purpose of filing your Form I-192.

**Copies.** You may submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS or CBP may request an original document at the time of filing or at any time during processing of an application, petition, or request. If you submit original documents when not required, the documents may remain a part of the record, and USCIS or CBP will not automatically return them to you.

**Translations.** If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must

		<p>include the translator’s signature. DHS recommends the certification contain the translator’s printed name and the date and the translator’s contact information.</p> <p><b>How To Fill Out Form I-192</b></p> <ol style="list-style-type: none"> <li>1.
