*I certify, under penalty of law, that the quantities of methyl bromide specified in Section 1.2, 1.3, and 1.4 of this form, are ordered/purchased and will be sold or used exclusively for an approved critical use (pre-plant or post-harvest) as identified, and not sold/ transferred to another person. I certify that I am an approved critical user and I will use this quantity of methyl bromide for an approved critical use. My action conforms to the requirements associated with the critical use exemption published in 40 CFR part 82. I will not use this quantity chamber, facility, or field that I previously fumigated with non-critical use methyl bromide during the same control period, excepting a QPS treatment or treatments for a different use (e.g., a different crop or commodity), unless a local township limit now prevents me from using methyl bromide alternatives or I have now become an approved critical user as a result of rulemaking.*

*I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete.
