PART I.—GENERAL INFORMATION

Background. On May 4, 2010, the Department of Commerce (“Commerce”) issued a countervailing duty order on imports of PRCBs from Vietnam and antidumping duty orders on imports of PRCBs from Indonesia, Taiwan, and Vietnam. On August 9, 2004, Commerce issued antidumping duty orders on imports of PRCBs from China, Malaysia, and Thailand. Following first five-year reviews by Commerce and the Commission, effective July 7, 2010, Commerce issued a continuation of the antidumping duty orders on imports of PRCBs from China, Malaysia, and Thailand. On April 1, 2015, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. If both the Commission and Commerce make affirmative determinations, the orders will remain in place. If either the Commission or Commerce makes negative determinations, Commerce will revoke the orders. Questionnaires and other information pertinent to this proceeding are available at http://www.usitc.gov/investigations/701731/2015/polyethylene_retail_carrier_bags_china_indonesia/second_review_full.htm.

Polyethylene retail carrier bags (“PRCBs”) covered by these investigations may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inches (0.889 mm) and no less than 0.00035 inches (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, e.g., grocery, drug, convenience, department, specialty retail, discount stores, and restaurants, to their customers to package and carry their purchased products. The scope of the order excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, e.g., garbage bags, lawn bags, trash-can liners.

As a result of changes to the Harmonized Tariff Schedule of the United States (HTSUS), imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the HTSUS. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with this proceeding or other import-injury proceedings conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.

"Import quantities" –Quantities reported should be net of returns.

"Import values" –Values reported should be landed, duty-paid values at the U.S. port of entry, including ocean freight and insurance costs, brokerage charges, and import duties (i.e., all charges except inland freight in the United States).

Report net values (i.e., gross sales values less all discounts, allowances, rebates, prepaid freight, and the value of returned goods) in U.S. dollars, f.o.b. your point of shipment.

"Internal consumption" –Product consumed internally by your firm. Internal consumption includes (i) use of PRCBs in an end use by your firm, and (ii) transfer of PRCBs to your firm's retail establishment(s) (e.g., for use as packaging for your retail establishments' customers' purchases). If your firm owns and/or operates its own retail establishment(s), report as internal consumption the quantity and value of PRCBs shipped to your firm's retail establishment(s).
