PART I.—GENERAL INFORMATION

Background. On November 17, 2010, the Department of Commerce issued antidumping and countervailing duty orders on imports of certain coated paper and paperboard from China and Indonesia. On October 1, 2015, the Commission instituted a review pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. If both the Commission and Commerce make affirmative determinations, the orders will remain in place. If either the Commission or Commerce makes negative determinations, the Department of Commerce will revoke the orders.
