PART I.--GENERAL INFORMATION

Background.--On October 21, 1977, the Department of the Treasury issued an antidumping duty finding on imports of PSP tape from Italy (42 FR 56110). Following first five-year reviews by the Department of Commerce ("Commerce") and the U.S. International Trade Commission ("Commission"), effective February 17, 1999, Commerce issued a continuation of the antidumping duty finding on imports of pressure sensitive plastic tape from Italy (64 FR 51515, September 23, 1999). Following second five-year reviews by Commerce and the Commission, effective June 25, 2004, Commerce issued a second continuation of the antidumping duty finding on imports of PSP tape from Italy (69 FR 35584). Following third five-year reviews by Commerce and the Commission, effective April 5, 2010, Commerce issued a third continuation of the antidumping duty finding on imports of PSP tape from Italy (75 FR 17124). On March 2, 2015, the Commission instituted a fourth review pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the finding would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. If both the Commission and Commerce make an affirmative determination, the finding will remain in place. If either the Commission or Commerce makes a negative determination, the Department of Commerce will revoke the finding. Questionnaires and other information pertinent to this proceeding are available at http://usitc.gov/investigations/701731/2015/pressure_sensitive_plastic_tape_italy/fourth_review_full.htm.

Pressure sensitive plastic tape ("PSP tape").--The products covered by this review include PSP tape measuring over one and three-eighths inches (0.0349 meters) in width and not exceeding four mils in thickness. The above described PSP tape is classified under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 3919.10.20 and 3919.90.50. The HTS subheadings are provided for convenience and for customs purposes. The written description remains dispositive.
