#### PART I.—GENERAL INFORMATION

Background. On September 1, 2010, the Department of Commerce issued a countervailing duty order on imports of narrow woven ribbons from China and antidumping duty orders on imports of narrow woven ribbons from China and Taiwan. On August 3, 2015, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders on narrow on narrow woven ribbons from China and Taiwan and a countervailing duty order on narrow woven ribbons from China would likely lead to the continuation or recurrence of material injury to a domestic industry within a reasonably foreseeable time. If both the Commission and Commerce make affirmative determinations, the orders will remain in place. If either the Commission or Commerce makes a negative determination, the Department of Commerce will revoke the orders. Questionnaires and other information pertinent to this proceeding are available at <a href="https://www.usitc.gov/investigations/701731/2015/narrow woven ribbons woven selvedge china and/first review full.htm">https://www.usitc.gov/investigations/701731/2015/narrow woven ribbons woven selvedge china and/first review full.htm</a>
